Local Workforce Development Board Strategic Planning	87
Focus on Employers	87
Engage in Partnerships.....	88
Align System Elements	90
Improve and Integrate Programs	91

Introduction

Under the Workforce Innovation and Opportunity Act (WIOA) §108 (20 Code of Federal Regulations §679.500–580), each Local Workforce Development Board (Board) is required to develop and submit to the state a comprehensive four-year plan (Board Plan) that identifies and describes policies and procedures as well as local activities that are in line with the State Plan. This Board Plan must be developed openly and be available to the public for comment for at least 15 days, but no more than 30 days, particularly to members of the business and educational communities as well as various other labor organizations. Along with submission of the Board Plan to the Texas Workforce Commission (TWC), the Board must submit all public comments of disagreement with the plan to TWC.

At the end of the first two-year period, the appropriate chief elected officials (CEOs) and the Board will review the local plan and prepare and submit modifications to reflect changes in the labor market and economic conditions, factors affecting the implementation of the plan, changes in financing, changes to the structure of the Board, and/or the need to revise strategies to meet local performance goals.

Part 1: Board Vision and Strategies

The strategic elements of the Local Workforce Development Board Planning Guidelines (Guidelines) are as follows:

A. Vision and Goals

(WIOA §108(b)(1)(E); 20 CFR §679.560(a)(5))

Boards must include a description of the Board's strategic vision to support regional economic growth and economic self-sufficiency. The description must include:

- goals for preparing an educated and skilled workforce, including early education services, and services for youth and individuals with barriers to employment; and
- goals relating to the performance accountability measures based on performance indicators described in WIOA §116(b)(2)(A).

Board Response

Mission

Preserve our integrated, employer-driven workforce system by actively involving employers in workforce decisions that allows them to: identify labor and economic trends, define skills and training standards and hire high skilled workers, while simultaneously providing job seekers with information, advice, job search assistance, supportive services, and training in the employer identified industries

and occupations so they will attain cutting edge skills that will lead to self-sufficient employment.

Vision

Our employers will have a highly skilled and educated workforce and our residents will have the competencies, skills, and education to become self-sufficient and live a quality life.

Values

Commitment

- We embrace our mission, vision, and values.

Professionalism

- We welcome diversity and treat everyone with respect, dignity, and courtesy.

Quality

- We have a passion for our customers and partners. We are self-critical, questioning and committed to providing accessible, accurate, complete, and timely services.

Integrity

- We are accountable, honest, and trustworthy.

Leadership

- We have the courage to lead change and shape the future.

Teamwork

- We work better together. We share our ideas and talents to find the best solutions. We support and rely on each other. We value clear and open communication.
- We make everyone better.

Rural Capital's mission, vision and values communicate and guide our efforts toward regional economic growth and family self-sufficiency. We are committed to planning and working collaboratively with all our program partners, economic development corporations, chambers of commerce, independent school districts, regional universities and community colleges, training providers, employers, and job seekers. The Board, Adult Education and Literacy (AEL) and Vocational Rehabilitation (VR) continue their tri-agency coordination using, an integrated referral form, recruitment information, and staff cross training.

Goals for preparing an educated and skilled workforce, including youth and individuals with barriers to employment.

Our primary customers are our employers. In our service area our employers have the greatest demand for middle-skill employees to fill middle-skilled jobs. These jobs require more than a high school degree but less than a four-year degree. While employment opportunities are continuing to grow in all industries except government, it is difficult to find qualified employees. Even though these jobs will lead to self-sufficiency, and they offer advancement opportunities. As a result, middle skill jobs represent an important

opportunity for our youth, individuals with barriers to employment, and AEL customers. Our goal is to continue to convene working groups with our education and training providers, youth staff, vocational rehabilitation staff, and workforce center managers to secure class-size training designed to meet the specific employer skills for each middle-skilled job. The specifically developed curriculum is delivered in our rural communities close to where our job seekers live and will work. Our strategy has been to take the training to our job seekers and not ask them to commute to the urban education centers using the Integrated Education and Training (IET) model. In addition to IET, our youth and individuals with barriers to employment are provided with work-based learning including internships, work experience, and subsidized summer employment accompanied by financial literacy classes.

Due to COVID-19, the board expanded opportunities for virtual, web based occupational and non-occupational training to provide the skills needed by area employers to the workforce.

The Board continues to provide up to date workforce data to assist customers in understanding local LMI and employment trends. The Board has developed career lattices for the target occupations in the Rural Capital Area. These sources of information are shared with and used by many of the required partners as well as community partners such as area ISDs. They are especially helpful in career development for youth and customers with additional barriers to employment. Additionally, these career lattices are available to the public on our website.

Goals relating to the performance accountability measure based on performance indicators.

Our goal is to meet or exceed all the measures. We have a well-established process for oversight of the performance measures which includes evaluating each performance measure on its own merit, identifying trends that might negatively impact our performance and correcting those negative trends before they impact performance. In the past two years we have met or exceeded all performance measures except one. We plan to continue to set our performance bar very high.

B. Board Strategies

(WIOA §108(b)(1)(F); 20 CFR §679.560(a)(6))

Boards must include a description of the Board's strategy to work with the entities carrying out the core programs and with the required partners to align resources available to the local workforce development area (workforce area) to achieve the vision and goals.

Board Response

The Board, AEL, and VR staffs have been working since February 2016 to ensure integration when delivering services to all customers. Our workforce center operator provides management of workforce programs and services and ensures Adult, Dislocated

Worker, Youth, Temporary Assistance for Needy Families (TANF), Supplemental Nutrition Assistance Program (SNAP), Non-Custodial Parent (NCP), Employer Services (ES), Texas Veterans Commission (TVC) services and resources are delivered seamlessly. The workforce center staff determine the needs of the customer and matches the available resources in the center to meet the customer's needs.

All the partners have agreed to capture the opportunities provided by Texas Workforce Commission now serving as the administering umbrella for all WIOA core program partners to plan, implement, and continuously improve the partnership. The co-location of AEL and VR staff in Rural Capital's three largest workforce centers (Bastrop, San Marcos, and Round Rock) has strengthened the working relationships in all the programs.

This strengthened partnership is more important than ever, since:

- Resources to serve customers virtually is a priority due to the impact of COVID-19 and staff must update processes;
- Many customers served have multiple challenges to employment and need skills and credentials to get better jobs;
- Local employers confront increasing difficulties in finding the talent needed to meet the needs of their businesses;
- The Rural Capital Service Area is a very large geographic area with limited public transportation services and customer access to services must not be dependent on silo program locations requiring unreasonable travel; and
- Some performance expectations are now common to all partners and individual program partners will achieve greater success with an increased integration of services.

The Board completed individual strategic plans for each of its nine counties. Each plan identifies the county's workforce challenges using LMI data and input from local elected officials, economic developers, chambers of commerce, independent school districts and community colleges, community organizations, and employers gathered during community meetings regarding the workforce. There is also a summary plan of common challenges shared by all counties and the common strategies to address them.

The following steps were taken in the development of the county plans:

- A. Identification of stakeholders in each county - elected officials, economic development corporations, chambers of commerce, employers, and education representatives to involve in the development of the county plans and implementation.
- B. Holding focus groups with the identified community stakeholder including WSRCA Board members and staff to understand how workforce services are currently provided, identify additional workforce services that are needed and opportunities to make significant improvements in delivery of workforce services.
- C. Facilitating additional discussions to include strategies for independent school districts, regional community colleges and training providers on ways they can work together to significantly improve access to education, training, and apprenticeship opportunities, especially in rural counties.

- D. Identification of ways to blend resources from a variety of federal, state, county, and city funding streams to enhance the delivery of local workforce training programs.
- E. Identification of organizations within each county that provide support services such as childcare, transportation, housing, and training to assist individuals in overcoming barriers to obtaining and retaining employment.
- F. Defining short- and long-range strategies to improve employer and workforce services in each county.
- G. Defining benchmarks and developing community dashboards for reporting to Chief Elected Officials and community partners that demonstrate progress and effectiveness in areas such as:
 - Accountability for employment results;
 - Transparency for job seekers to help them make better career choices;
 - Employer engagement and services to businesses;
 - Coordination and collaboration across workforce; and educational programs.
- H. Exploration of possibilities of unrestricted county and city funding for use in meeting the needs of employers and job seekers when they are do not meet federal and state eligibility requirements to receive workforce services.

C. High-Performing Board

(WIOA §108(b)(18); 20 CFR §679.560(b)(17))

Boards must include a description of the actions the Board will take toward becoming or remaining a high-performing Board, consistent with the factors developed by the Texas Workforce Investment Council (TWIC).

Board Response

The Board uses several strategies to ensure it remains a high performing board. In the contract with the workforce center operator, profit is based on meeting or exceeding the State performance measures and locally set performance measures. Rural Capital uses local performance measures to track and measure local initiatives such as integration of AEL, VR, and childcare services into the workforce system or addressing equity in service delivery by focusing on underrepresented populations. The locally set performance expectations are adjusted annually based on priorities developed by the Board of Directors, leadership, and key stakeholders. Performance is reviewed by board staff at the monthly contract meetings, and by the Board of Directors at the bi-monthly meeting.

The contract includes deliverables with due dates for specific tasks such as, but not limited to, Disaster Recovery Plan, Affirmative Action Plan, ADA/EEO Facility Compliance Inspections and Report, Assessment of LEP Customers, and ADA/EO Staff Training. Information from these deliverables are important in planning and delivering services for

universal customers and our target populations. The status of deliverables is reviewed at monthly contract meetings.

Reports from external program and financial monitors and the workforce center operator's internal quality assurance processes are used to identify issues with eligibility, data entry, reporting, and tracking service delivery. The monitoring also reviews policies and procedures to determine if they are up to date and followed correctly to ensure compliance with program guides and rules.

Part 2. Economic and Workforce Analysis

A. Regional Economic and Employment Needs Analysis

(WIOA §108(b)(1)(A); 20 CFR §679.560(a)(1))

Boards must include a regional analysis of the following:

- The economic conditions, including existing and emerging in-demand industry sectors, in-demand occupations, and target occupations
- The employment needs of employers in existing and emerging in-demand industry sectors, in-demand occupations, and target occupations

Board Response

The Rural Capital Area has continued to outpace most of the nation and state in population growth, directly affecting the growth of the industries within the area. This growth is more prevalent in counties along the I-35 corridor than the more rural areas. This variation of growth has produced many opportunities for Rural Capital as well as many potential barriers to ensure all counties continue to see high economic growth.

Rural Capital area had an overall estimated population of 1,113,028 in 2020 and projections show growth of 32.33% through 2030 with an estimated population of 1,472,862. With that noted, the growth for more rural counties is less. Growth in the different counties ranges from a low 5.51% in Fayette County to a high growth rate of 38.71% in Hays County.

	2020	2030	10 Year Change in Population	10 Year Percentage Growth
Region	Population	Population		
Rural Capital Area WDB	1,113,028	1,472,862	359,834	32.33%
Bastrop County, Texas	91,065	114,973	23,908	26.25%
Blanco County, Texas	12,175	14,475	2,300	18.89%
Burnet County, Texas	49,067	57,803	8,736	17.80%
Caldwell County, Texas	44,456	52,373	7,917	17.81%
Fayette County, Texas	25,508	26,913	1,405	5.51%
Hays County, Texas	239,394	332,062	92,668	38.71%

Lee County, Texas	17,399	18,799	,1400	8.05%
Llano County, Texas	22,292	26,961	4,669	20.94%
Williamson County, Texas	611,671	828,503	216,832	35.45%
Source: JobsEQ®				
Note: Figures may not sum due to rounding.				
Population Projections use historical data through 2019				

The population consist of approximately 49.52% males and 50.48% females with no mentionable changes in 2030. The population breakdown is also very similar to each respective county.

The Rural Capital Area's population is 58.5% White, 29.5% Hispanic, 5.6% Black, and 4% Asian. The Rural Capital Area has a relatively younger population with a high concentration of families.

According to the Census, 21% of the Rural Capital Area's population is children under 15 years old (versus 19% for the U.S.) and 28% of area residents are between the ages of 25 and 44 years old (versus 26% for the U.S.). As a result, the area has a lower concentration of residents over the age of 45.

The Rural Capital Area's median household income has consistently been higher than the national average with an average of \$79,427. The State of Texas median household income is \$63,826 with a US median household income of \$64,994.

The percent of overall population in poverty in the Rural Capital Area is as well below the state of Texas and the US at 8.6% compared to 14.2% and 12.8%, respectively.

The following industries in the Rural Capital Area are projected to experience the highest growth, by number, during 2020 – 2030. Health Care and Social Assistance continues to be one of the highest rapid growing industries. From the period of 2010 – 2017, that industry saw a grown of 10,737 new jobs which reflected a 45.31% growth and continues to show a high growth from 2020 through 2030. In addition, contributing to the population growth, the industries of Accommodation and Food Services, Construction, Retail Trade, and Professional, Scientific, and Technical Services are forecasting as a high growth. The Manufacturing industry reflects as the sixth largest industry growth by number of occupations.

Rural Capital – Employment by Industry				
Industry Title	Estimated Employment (2020)	Projected Employment (2030)	Change In Employment	Percentage Change
Accommodation and food services	34,534	47,933	13,399	38.8
Construction	28,553	41,448	12,895	45.16
Health care and social assistance	33,216	44,296	11,080	33.36
Retail trade	45,862	56,173	10,311	22.48
Professional, scientific, and technical services	17,738	25,282	7,544	42.53
Manufacturing	23,631	30,626	6,995	29.6
Educational services	39,170	44,894	5,724	14.61

With the high growth in industries, the growth in occupations for these industries has increased as well. Projections for occupational growth from 2020 – 2030 in the Rural Capital Area are in the chart below. *Note: due to the numerous occupations, the list reports only occupations with an annual growth rate of 50 new jobs.*

Growing Occupations of at least 50 additional jobs per year					
Occupation Title	Estimated Employment (2020)	Projected Employment (2030)	Change In Employment	Percentage Change	Annualized Percent Growth
Food and Beverage Serving Workers	18,852	25,827	6,975	37	3.2
Construction Trades Workers	16,370	22,745	6,375	38.94	3.34
Retail Sales Workers	23,100	27,622	4,522	19.58	1.8
Other Management Occupations	25,257	29,680	4,423	17.51	1.63
Fast Food and Counter Workers	13,205	17,525	4,320	32.71	2.87
Computer Occupations	10,582	14,615	4,033	38.11	3.28
Cooks and Food Preparation Workers	8,847	12,611	3,764	42.55	3.61
Material Moving Workers	11,978	15,615	3,637	30.36	2.69
Motor Vehicle Operators	9,741	13,021	3,280	33.67	2.94
Other Installation, Maintenance, and Repair Occupations	8,241	11,187	2,946	35.75	3.1
Business Operations Specialists	9,971	12,779	2,808	28.16	2.51
Retail Salespersons	11,337	13,916	2,579	22.75	2.07
Top Executives	7,206	9,689	2,483	34.46	3.01
Healthcare Diagnosing or Treating Practitioners	8,242	10,716	2,474	30.02	2.66
General and Operations Managers	6,863	9,316	2,453	35.74	3.1
Preschool, Elementary, Middle, Secondary, and Special Education Teachers	15,926	18,292	2,366	14.86	1.39
Cooks, Restaurant	3,177	5,478	2,301	72.43	5.6
Information and Record Clerks	13,539	15,766	2,227	16.45	1.53
Waiters and Waitresses	4,811	6,945	2,134	44.36	3.74
Home Health and Personal Care Aides; and Nursing Assistants, Orderlies, and Psychiatric Aides	5,757	7,840	2,083	36.18	3.14
Construction Laborers	5,145	7,191	2,046	39.77	3.4
Farmers, Ranchers, and Other Agricultural Managers	16,852	18,700	1,848	10.97	1.05
Health Technologists and Technicians	6,189	7,919	1,730	27.95	2.5
Software Developers and Software Quality Assurance Analysts and Testers	3,994	5,700	1,706	42.71	3.62
Heavy and Tractor-Trailer Truck Drivers	5,164	6,869	1,705	33.02	2.89
Home Health and Personal Care Aides	3,679	5,362	1,683	45.75	3.84
Building Cleaning and Pest Control Workers	7,217	8,832	1,615	22.38	2.04

Other Office and Administrative Support Workers	8,125	9,734	1,609	19.8	1.82
Office Clerks, General	6,902	8,406	1,504	21.79	1.99
Cashiers	10,453	11,954	1,501	14.36	1.35
Other Healthcare Support Occupations	4,024	5,504	1,480	36.78	3.18
Supervisors of Food Preparation and Serving Workers	3,403	4,815	1,412	41.49	3.53
Agricultural Workers	8,029	9,436	1,407	17.52	1.63

Data Source: www.texaslmi.com					

The median earning for a family in Rural Capital Area is \$79,427, and the Per Capita Income is \$35,360 (or \$17.00 per hour). This is near the Rural Capital Area's self-sufficiency wage of \$18.00 per hour. Therefore, reviewing the top growth of occupations adding at least 50 new jobs per year and removing those with earnings less than the average mean earnings of \$35,360 provides the following occupations.

Occupation Title	Estimated Employment (2018)	Projected Employment (2028)	Median Wage	Education
General and Operations Managers	6,863	9,316	\$97,209.00	Bachelor's degree
Construction Managers	2,137	2,954	\$96,977.00	Bachelor's degree
Accountants and Auditors	2,589	3,197	\$88,159.00	Bachelor's degree
Information Security Analysts	614	1,170	\$84,382.00	Bachelor's degree
Registered Nurses	4,046	5,092	\$79,484.00	Bachelor's degree
Market Research Analysts and Marketing Specialists	1,341	1,895	\$72,401.00	Bachelor's degree
Sales Representatives, Wholesale and Manufacturing, Except Technical and Scientific Products	2,381	3,071	\$69,363.00	High school diploma or equivalent
First-Line Supervisors of Construction Trades and Extraction Workers	2,335	3,340	\$67,618.00	High school diploma or equivalent
Elementary School Teachers, Except Special Education	5,426	6,075	\$55,748.00	Bachelor's degree
Electricians	1,913	2,938	\$54,406.00	High school diploma or equivalent
Heating, Air Conditioning, and Refrigeration Mechanics and Installers	1,358	2,041	\$52,028.00	Postsecondary nondegree award
Plumbers, Pipefitters, and Steamfitters	1,810	2,760	\$51,217.00	High school diploma or equivalent
Welders, Cutters, Solderers, and Brazers	1,443	2,091	\$50,826.00	High school diploma or equivalent

First-Line Supervisors of Retail Sales Workers	5,027	5,935	\$50,334.00	High school diploma or equivalent
Light Truck Drivers	1,528	2,067	\$47,165.00	High school diploma or equivalent
Heavy and Tractor-Trailer Truck Drivers	5,164	6,869	\$46,354.00	Postsecondary nondegree award
Operating Engineers and Other Construction Equipment Operators	1,407	1,970	\$45,174.00	High school diploma or equivalent
Bookkeeping, Accounting, and Auditing Clerks	3,876	4,522	\$43,700.00	Some college, no degree
Maintenance and Repair Workers, General	3,310	4,366	\$40,249.00	High school diploma or equivalent
Office Clerks, General	6,902	8,406	\$37,908.00	High school diploma or equivalent
Customer Service Representatives	7,217	8,315	\$37,739.00	High school diploma or equivalent
Construction Laborers	5,145	7,191	\$36,583.00	No formal educational credential
First-Line Supervisors of Food Preparation and Serving Workers	3,233	4,559	\$36,175.00	High school diploma or equivalent
Medical Assistants	1,701	2,391	\$36,086.00	Postsecondary nondegree award

The number of occupations remaining that show high growth and are within the median wage threshold are reduced from 90 occupations to 24. However, many of the occupations, that fall below median wage threshold are still important to Rural Capital Area and considered “Career Lattice” occupations with the potential for growth through career progression and increased earnings.

With the focus of providing a workforce driven by employer need, an analysis of the Industry and Occupation mix shows six (6) industries with high growth in jobs also have over 300 or more distinct occupations in the new jobs.

Rural Capital – Employment by Industry		
Industry Title	Change In Employment	Number of Distinct Occupations
Educational services	5,724	367
Professional, scientific, and technical services	7,544	308
Other services (except public administration)	4,302	305
Gov't, ex. PO, state/local ed/hosp	2,516	305
Health care and social assistance	11,080	304
Manufacturing	6,995	301
Wholesale trade	3,349	256
Retail trade	10,311	254
Construction	12,895	226
Arts, entertainment, and recreation	1,238	182
Utilities	632	171
Transportation and warehousing	2,971	169
Real estate and rental and leasing	2,424	148
Finance and insurance	1,487	116
Accommodation and food services	13,399	115
Mining, quarrying, and oil and gas extraction	695	112
Information	933	105
Agriculture, forestry, fishing and hunting	1,235	44
Self employed workers, all jobs	4,879

Noting a total of 19 two level NAICS Industries in the analysis, the below chart shows how many occupations cross over into the different Industries. This analysis shows the ability for job seekers to utilize the occupations in a variety of industries. The chart below shows 142 occupations with a growth in at least 10 industries.

SOC Code	Occupation Title	Total Industries with Occupation
11-1011	Chief Executives	19
11-1021	General and Operations Managers	19
11-2021	Marketing Managers	19
11-2022	Sales Managers	19

11-3021	Computer and Information Systems Managers	19
11-3031	Financial Managers	19
11-3061	Purchasing Managers	19
11-3071	Transportation, Storage, and Distribution Managers	19
11-3121	Human Resources Managers	19
13-1041	Compliance Officers	19
13-1071	Human Resources Specialists	19
13-1111	Management Analysts	19
13-1151	Training and Development Specialists	19
13-1161	Market Research Analysts and Marketing Specialists	19
13-2011	Accountants and Auditors	19
15-1211	Computer Systems Analysts	19
15-1232	Computer User Support Specialists	19
15-1244	Network and Computer Systems Administrators	19
15-1299	Computer Occupations, All Other	19
19-5011	Occupational Health and Safety Specialists	19
23-1011	Lawyers	19
27-1024	Graphic Designers	19
27-3031	Public Relations Specialists	19
33-9032	Security Guards	19
37-2011	Janitors and Cleaners, Except Maids and Housekeeping Cleaners	19
37-3011	Landscaping and Groundskeeping Workers	19
41-1011	First-Line Supervisors of Retail Sales Workers	19
41-1012	First-Line Supervisors of Non-Retail Sales Workers	19
41-2011	Cashiers	19
41-2031	Retail Salespersons	19
41-3091	Sales Representatives of Services, Except Advertising, Insurance, Financial Services, and Travel	19
41-4012	Sales Representatives, Wholesale and Manufacturing, Except Technical and Scientific Products	19
43-1011	First-Line Supervisors of Office and Administrative Support Workers	19
43-3021	Billing and Posting Clerks	19
43-3031	Bookkeeping, Accounting, and Auditing Clerks	19
43-3051	Payroll and Timekeeping Clerks	19
43-4051	Customer Service Representatives	19
43-4161	Human Resources Assistants, Except Payroll and Timekeeping	19
43-4171	Receptionists and Information Clerks	19
43-4199	Information and Record Clerks, All Other	19
43-5032	Dispatchers, Except Police, Fire, and Ambulance	19
43-5061	Production, Planning, and Expediting Clerks	19
43-5071	Shipping, Receiving, and Inventory Clerks	19
43-6014	Secretaries and Administrative Assistants, Except Legal, Medical, and Executive	19
43-9061	Office Clerks, General	19

43-9199	Office and Administrative Support Workers, All Other	19
47-2061	Construction Laborers	19
47-2111	Electricians	19
49-1011	First-Line Supervisors of Mechanics, Installers, and Repairers	19
49-3023	Automotive Service Technicians and Mechanics	19
49-3031	Bus and Truck Mechanics and Diesel Engine Specialists	19
49-9041	Industrial Machinery Mechanics	19
49-9071	Maintenance and Repair Workers, General	19
49-9098	Helpers--Installation, Maintenance, and Repair Workers	19
51-1011	First-Line Supervisors of Production and Operating Workers	19
51-4121	Welders, Cutters, Solderers, and Brazers	19
51-9061	Inspectors, Testers, Sorters, Samplers, and Weighers	19
51-9199	Production Workers, All Other	19
53-1047	First-Line Supervisors of Transportation and Material Moving Workers, Except Aircraft Cargo Handling Supervisors	19
53-3032	Heavy and Tractor-Trailer Truck Drivers	19
53-3033	Light Truck Drivers	19
53-7062	Laborers and Freight, Stock, and Material Movers, Hand	19
53-7065	Stockers and Order Fillers	19
41-4011	Sales Representatives, Wholesale and Manufacturing, Technical and Scientific Products	18
41-9099	Sales and Related Workers, All Other	18
43-3011	Bill and Account Collectors	18
49-9099	Installation, Maintenance, and Repair Workers, All Other	18
53-7064	Packers and Packagers, Hand	18
13-1121	Meeting, Convention, and Event Planners	17
15-1231	Computer Network Support Specialists	17
35-3023	Fast Food and Counter Workers	17
43-4071	File Clerks	17
43-9051	Mail Clerks and Mail Machine Operators, Except Postal Service	17
47-1011	First-Line Supervisors of Construction Trades and Extraction Workers	17
47-2031	Carpenters	17
49-9021	Heating, Air Conditioning, and Refrigeration Mechanics and Installers	17
51-4041	Machinists	17
51-9198	Helpers--Production Workers	17
53-7061	Cleaners of Vehicles and Equipment	17
11-3051	Industrial Production Managers	16
15-1251	Computer Programmers	16
15-2031	Operations Research Analysts	16
35-2021	Food Preparation Workers	16
41-2021	Counter and Rental Clerks	16
43-4151	Order Clerks	16
47-2152	Plumbers, Pipefitters, and Steamfitters	16
49-3042	Mobile Heavy Equipment Mechanics, Except Engines	16

11-9021	Construction Managers	15
11-9041	Architectural and Engineering Managers	15
11-9141	Property, Real Estate, and Community Association Managers	15
15-1241	Computer Network Architects	15
17-2112	Industrial Engineers	15
17-3023	Electrical and Electronic Engineering Technologists and Technicians	15
35-1012	First-Line Supervisors of Food Preparation and Serving Workers	15
35-3031	Waiters and Waitresses	15
43-5021	Couriers and Messengers	15
15-1212	Information Security Analysts	14
17-2071	Electrical Engineers	14
17-2199	Engineers, All Other	14
29-1141	Registered Nurses	14
37-2012	Maids and Housekeeping Cleaners	14
45-2093	Farmworkers, Farm, Ranch, and Aquacultural Animals	14
47-2073	Operating Engineers and Other Construction Equipment Operators	14
49-2094	Electrical and Electronics Repairers, Commercial and Industrial Equipment	14
13-1141	Compensation, Benefits, and Job Analysis Specialists	13
17-2051	Civil Engineers	13
29-2052	Pharmacy Technicians	13
35-2014	Cooks, Restaurant	13
35-9011	Dining Room and Cafeteria Attendants and Bartender Helpers	13
37-1012	First-Line Supervisors of Landscaping, Lawn Service, and Groundskeeping Workers	13
43-6013	Medical Secretaries and Administrative Assistants	13
11-9111	Medical and Health Services Managers	12
13-2031	Budget Analysts	12
27-3042	Technical Writers	12
35-9021	Dishwashers	12
47-2141	Painters, Construction and Maintenance	12
49-9012	Control and Valve Installers and Repairers, Except Mechanical Door	12
51-9111	Packaging and Filling Machine Operators and Tenders	12
11-9051	Food Service Managers	11
13-1051	Cost Estimators	11
19-2031	Chemists	11
29-1051	Pharmacists	11
37-1011	First-Line Supervisors of Housekeeping and Janitorial Workers	11
39-3091	Amusement and Recreation Attendants	11
41-9011	Demonstrators and Product Promoters	11
43-9041	Insurance Claims and Policy Processing Clerks	11
49-3011	Aircraft Mechanics and Service Technicians	11
51-9124	Coating, Painting, and Spraying Machine Setters, Operators, and Tenders	11

11-9121	Natural Sciences Managers	10
17-3011	Architectural and Civil Drafters	10
17-3027	Mechanical Engineering Technologists and Technicians	10
27-3041	Editors	10
27-4021	Photographers	10
29-1031	Dietitians and Nutritionists	10
29-2061	Licensed Practical and Licensed Vocational Nurses	10
31-9092	Medical Assistants	10
39-9011	Childcare Workers	10
39-9032	Recreation Workers	10
41-9022	Real Estate Sales Agents	10
41-9031	Sales Engineers	10
43-4111	Interviewers, Except Eligibility and Loan	10
51-3011	Bakers	10

Further analysis shows 112 of those occupation making at or above the median occupational wages within the Rural Capital Area of \$35,360.00. The chart below shows those occupations.

Occupation Title	Mean Wage
Chief Executives	\$247,493
Architectural and Engineering Managers	\$170,185
Financial Managers	\$159,424
Computer and Information Systems Managers	\$156,032
Sales Managers	\$144,881
Lawyers	\$143,648
Marketing Managers	\$141,744
Human Resources Managers	\$134,281
Pharmacists	\$133,285
Industrial Production Managers	\$119,854
Purchasing Managers	\$118,143
Computer Network Architects	\$117,438
Natural Sciences Managers	\$116,155
Sales Engineers	\$112,653
Electrical Engineers	\$110,069
Medical and Health Services Managers	\$109,832
Transportation, Storage, and Distribution Managers	\$105,341
Industrial Engineers	\$103,923
Computer Occupations, All Other	\$101,471
Computer Systems Analysts	\$99,167
General and Operations Managers	\$97,209
Construction Managers	\$96,977
Engineers, All Other	\$93,679
Operations Research Analysts	\$91,360
Management Analysts	\$91,044
Sales Representatives, Wholesale and Manufacturing, Technical and Scientific Products	\$90,586
Civil Engineers	\$90,385
Accountants and Auditors	\$88,159
Network and Computer Systems Administrators	\$87,255
First-Line Supervisors of Non-Retail Sales Workers	\$85,487
Information Security Analysts	\$84,382
Computer Programmers	\$82,905
Technical Writers	\$82,457
Registered Nurses	\$79,484

Dispatchers, Except Police, Fire, and Ambulance	\$42,568
Human Resources Assistants, Except Payroll and Timekeeping	\$42,356
First-Line Supervisors of Housekeeping and Janitorial Workers	\$41,926
Bill and Account Collectors	\$41,916
Office and Administrative Support Workers, All Other	\$40,655
Maintenance and Repair Workers, General	\$40,249
Photographers	\$39,691
Pharmacy Technicians	\$39,506
Secretaries and Administrative Assistants, Except Legal, Medical, and Executive	\$39,426
Counter and Rental Clerks	\$38,942
Office Clerks, General	\$37,908
Customer Service Representatives	\$37,739
Security Guards	\$37,679
Medical Secretaries and Administrative Assistants	\$37,609
Interviewers, Except Eligibility and Loan	\$37,305
Painters, Construction and Maintenance	\$37,012
Shipping, Receiving, and Inventory Clerks	\$36,625
Construction Laborers	\$36,583
First-Line Supervisors of Food Preparation and Serving Workers	\$36,175
Medical Assistants	\$36,086
Order Clerks	\$35,911
File Clerks	\$35,822

Summarizing the analysis thus far on growth and industries indicates that Rural Capital Area has a large diversity of occupations to focus on that will enable multiple industries to acquire the talent they need to ensure they can fill the projected job growth in our area.

One of the challenges facing Rural Capital Area is the diversity of the counties in which it serves. This is both in demographics and Industry and Occupation mix. Data showing the top 10 Industries by establishment in the Rural Capital Area and the in each county shows a focus must be developed for each area to ensure the entire business community of Rural Capital Area is served.

Industry	Establishments
Total - All Industries	27,037
Professional, Scientific, and Technical Services	4,097
Construction	3,180
Retail Trade	2,795
Health Care and Social Assistance	2,718
Accommodation and Food Services	2,158
Other Services (except Public Administration)	1,997
Finance and Insurance	1,665
Administrative and Support and Waste Management and Remediation Services	1,478
Real Estate and Rental and Leasing	1,349
Wholesale Trade	1,153
Manufacturing	1,054
Transportation and Warehousing	606
Information	579
Educational Services	453
Arts, Entertainment, and Recreation	384
Public Administration	358
Unclassified	319
Agriculture, Forestry, Fishing and Hunting	313
Mining, Quarrying, and Oil and Gas Extraction	150
Utilities	118
Management of Companies and Enterprises	113
Source: JobsEQ®	
Note: Figures may not sum due to rounding. Growth demand is based on 4-qtr moving avg employment from the latest available date.	

Not only is there a difference in the number of top 10 Industries by establishments by county, when reviewing the number of employers those industries employ, produces yet another top 10 in some areas. This analysis shows that there could be multiple industries in an area, however the number of people working in those industries is small.

Industry	Average Employment
Total - All Industries	349,742
Retail Trade	50,264
Accommodation and Food Services	41,460
Educational Services	40,493
Health Care and Social Assistance	35,969
Construction	31,325
Manufacturing	24,734
Professional, Scientific, and Technical Services	21,150
Wholesale Trade	17,858
Administrative and Support and Waste Management and Remediation Services	15,953
Transportation and Warehousing	13,046
Other Services (except Public Administration)	11,387
Public Administration	10,933
Finance and Insurance	10,745
Real Estate and Rental and Leasing	5,965
Arts, Entertainment, and Recreation	4,742

Note: Figures may not sum due to rounding. Growth demand is based on 4-qtr moving avg employment from the latest available date.	

This analysis shows the Rural Capital Area continues to develop individual strategies and plans for each county according to Industry and Occupations. This requires continual data analysis and review of the effectiveness of initiatives developed and implemented.

B. Knowledge and Skills Analysis

(WIOA §108(b)(1)(B); 20 CFR §679.560(a)(2))

Boards must include an analysis of the knowledge and skills needed to meet the employment needs of the employers in the region, including employment needs for in-demand industry sectors, in-demand occupations, and target occupations.

Board Response

According to the latest data from JobsEQ on Occupations Gaps with the projected growth, Rural Capital Area has a labor quota deficit in the following occupations per year.

Potential Average Annual Occupation Gaps over 10 Years in Rural Capital Area WDB			
SOC	Occupation	Annual Supply Gap	Avg Wages
11-1021	General and Operations Managers	(108)	\$100,800
15-1252	Software Developers	(84)	\$103,600
29-1141	Registered Nurses	(59)	\$74,900
35-2014	Cooks, Restaurant	(45)	\$28,400
49-9071	Maintenance and Repair Workers, General	(40)	\$37,800
53-3032	Heavy and Tractor-Trailer Truck Drivers	(36)	\$44,400
11-9013	Farmers, Ranchers, and Other Agricultural Managers	(32)	\$60,500
11-9021	Construction Managers	(30)	\$95,300
47-1011	First-Line Supervisors of Construction Trades and Extraction Workers	(28)	\$64,700
33-3051	Police and Sheriffs Patrol Officers	(24)	\$66,200
23-1011	Lawyers	(24)	\$124,400
25-2021	Elementary School Teachers, Except Special Education	(23)	\$57,100
47-2031	Carpenters	(22)	\$41,300
29-2061	Licensed Practical and Licensed Vocational Nurses	(22)	\$48,600
49-1011	First-Line Supervisors of Mechanics, Installers, and Repairers	(20)	\$64,300
11-3031	Financial Managers	(20)	\$147,000
11-9111	Medical and Health Services Managers	(18)	\$110,000
25-2031	Secondary School Teachers, Except Special and Career/Technical Education	(17)	\$57,500
11-9199	Managers, All Other	(16)	\$125,600

47-2111	Electricians	(16)	\$50,900
13-1111	Management Analysts	(16)	\$90,900
29-1171	Nurse Practitioners	(15)	\$112,200
49-9041	Industrial Machinery Mechanics	(14)	\$53,700
39-5012	Hairdressers, Hairstylists, and Cosmetologists	(14)	\$29,800
47-2152	Plumbers, Pipefitters, and Steamfitters	(14)	\$51,400
15-1253	Software Quality Assurance Analysts and Testers	(13)	\$85,100
13-1082	Project Management Specialists	(13)	\$91,000
33-2011	Firefighters	(13)	\$52,200
49-9021	Heating, Air Conditioning, and Refrigeration Mechanics and Installers	(13)	\$49,000
49-3023	Automotive Service Technicians and Mechanics	(13)	\$50,600
13-2011	Accountants and Auditors	(12)	\$79,900
15-1211	Computer Systems Analysts	(12)	\$89,700
13-1199	Business Operations Specialists, All Other	(12)	\$76,600
47-2141	Painters, Construction and Maintenance	(12)	\$35,800
25-2022	Middle School Teachers, Except Special and Career/Technical Education	(11)	\$56,600
11-3021	Computer and Information Systems Managers	(11)	\$146,500
31-9092	Medical Assistants	(11)	\$34,000
13-1161	Market Research Analysts and Marketing Specialists	(11)	\$68,900
15-1299	Computer Occupations, All Other	(10)	\$90,200
25-2011	Preschool Teachers, Except Special Education	(10)	\$34,400
11-9141	Property, Real Estate, and Community Association Managers	(10)	\$65,400
29-1127	Speech-Language Pathologists	(10)	\$79,500
51-1011	First-Line Supervisors of Production and Operating Workers	(9)	\$58,800
29-1292	Dental Hygienists	(9)	\$74,500
29-2052	Pharmacy Technicians	(9)	\$37,500
29-1123	Physical Therapists	(9)	\$93,900
47-2073	Operating Engineers and Other Construction Equipment Operators	(9)	\$43,100
29-1021	Dentists, General	(8)	\$135,400
41-9022	Real Estate Sales Agents	(8)	\$57,900
29-1131	Veterinarians	(8)	\$111,400
31-1131	Nursing Assistants	(8)	\$29,500
11-9051	Food Service Managers	(8)	\$60,100
31-9011	Massage Therapists	(8)	\$42,700
15-1212	Information Security Analysts	(8)	\$87,500

53-1047	First-Line Supervisors of Transportation and Material Moving Workers, Except Aircraft Cargo Handling Supervisors	(8)	\$52,600
17-2112	Industrial Engineers	(8)	\$96,900
51-4121	Welders, Cutters, Solderers, and Brazers	(8)	\$45,900
39-1022	First-Line Supervisors of Personal Service Workers	(7)	\$37,800
47-2081	Drywall and Ceiling Tile Installers	(7)	\$43,100
11-2022	Sales Managers	(7)	\$133,400
13-1071	Human Resources Specialists	(7)	\$65,300
29-2056	Veterinary Technologists and Technicians	(7)	\$31,800
15-1244	Network and Computer Systems Administrators	(7)	\$82,600
39-1014	First-Line Supervisors of Entertainment and Recreation Workers, Except Gambling Services	(7)	\$44,500
49-3031	Bus and Truck Mechanics and Diesel Engine Specialists	(7)	\$47,600
39-5092	Manicurists and Pedicurists	(7)	\$23,900
25-1071	Health Specialties Teachers, Postsecondary	(6)	\$109,500
21-1018	Substance Abuse, Behavioral Disorder, and Mental Health Counselors	(6)	\$48,500
51-4041	Machinists	(6)	\$45,700
11-9032	Education Administrators, Kindergarten through Secondary	(6)	\$85,200
11-3012	Administrative Services Managers	(6)	\$106,400
43-6013	Medical Secretaries and Administrative Assistants	(6)	\$35,100
29-1126	Respiratory Therapists	(6)	\$63,300
13-1081	Logisticians	(6)	\$74,800
17-2051	Civil Engineers	(6)	\$85,500
49-3042	Mobile Heavy Equipment Mechanics, Except Engines	(6)	\$51,600
49-9062	Medical Equipment Repairers	(5)	\$51,400
49-9099	Installation, Maintenance, and Repair Workers, All Other	(5)	\$41,500
29-1051	Pharmacists	(5)	\$124,400
11-3071	Transportation, Storage, and Distribution Managers	(5)	\$102,300
19-5011	Occupational Health and Safety Specialists	(5)	\$69,600
11-3051	Industrial Production Managers	(5)	\$117,400
29-2034	Radiologic Technologists and Technicians	(5)	\$58,800
29-1071	Physician Assistants	(5)	\$117,700
27-4021	Photographers	(5)	\$39,000
17-2141	Mechanical Engineers	(5)	\$99,400
17-2071	Electrical Engineers	(5)	\$111,000

13-1041	Compliance Officers	(5)	\$64,800
31-9091	Dental Assistants	(5)	\$39,800
29-1229	Physicians, All Other	(5)	\$216,700
49-3021	Automotive Body and Related Repairers	(5)	\$50,000
13-1151	Training and Development Specialists	(5)	\$61,400
27-1011	Art Directors	(4)	\$84,000
27-2042	Musicians and Singers	(4)	\$59,400
11-2021	Marketing Managers	(4)	\$135,400
15-1241	Computer Network Architects	(4)	\$112,400
47-2051	Cement Masons and Concrete Finishers	(4)	\$40,400
15-1231	Computer Network Support Specialists	(4)	\$61,100
29-2072	Medical Records Specialists	(4)	\$42,600
33-1021	First-Line Supervisors of Firefighting and Prevention Workers	(4)	\$78,500
29-1011	Chiropractors	(4)	\$77,000
37-1012	First-Line Supervisors of Landscaping, Lawn Service, and Groundskeeping Workers	(4)	\$48,300
13-2072	Loan Officers	(4)	\$72,000
25-9031	Instructional Coordinators	(4)	\$64,800
27-2012	Producers and Directors	(4)	\$71,000
15-2031	Operations Research Analysts	(4)	\$106,000
29-1122	Occupational Therapists	(4)	\$90,900
29-2042	Emergency Medical Technicians	(4)	\$34,900
29-2081	Opticians, Dispensing	(3)	\$34,300
25-2052	Special Education Teachers, Kindergarten and Elementary School	(3)	\$58,700
43-5061	Production, Planning, and Expediting Clerks	(3)	\$46,400
27-3091	Interpreters and Translators	(3)	\$60,300
49-9051	Electrical Power-Line Installers and Repairers	(3)	\$64,300
11-1011	Chief Executives	(3)	\$228,500
27-3043	Writers and Authors	(3)	\$60,000
33-3021	Detectives and Criminal Investigators	(3)	\$65,300
51-9124	Coating, Painting, and Spraying Machine Setters, Operators, and Tenders	(3)	\$45,500
13-2051	Financial and Investment Analysts	(3)	\$85,300
43-5032	Dispatchers, Except Police, Fire, and Ambulance	(3)	\$39,800
47-2211	Sheet Metal Workers	(3)	\$48,400
33-1012	First-Line Supervisors of Police and Detectives	(3)	\$89,300
11-3013	Facilities Managers	(3)	\$97,100
29-1041	Optometrists	(3)	\$128,700
39-5011	Barbers	(3)	\$27,800
47-2044	Tile and Stone Setters	(3)	\$38,500

29-2099	Health Technologists and Technicians, All Other	(3)	\$42,400
29-2012	Medical and Clinical Laboratory Technicians	(3)	\$49,300
11-3121	Human Resources Managers	(3)	\$123,100
41-3021	Insurance Sales Agents	(3)	\$58,000
51-7011	Cabinetmakers and Bench Carpenters	(3)	\$34,100
11-9151	Social and Community Service Managers	(3)	\$70,200
29-2011	Medical and Clinical Laboratory Technologists	(3)	\$49,200
29-2043	Paramedics	(3)	\$48,600
49-9081	Wind Turbine Service Technicians	(3)	\$51,500
15-2051	Data Scientists	(3)	\$112,700
25-3021	Self-Enrichment Teachers	(3)	\$35,000
23-2011	Paralegals and Legal Assistants	(3)	\$53,100
29-2057	Ophthalmic Medical Technicians	(3)	\$33,400
35-1011	Chefs and Head Cooks	(3)	\$44,100
49-3011	Aircraft Mechanics and Service Technicians	(3)	\$62,900
29-2053	Psychiatric Technicians	(3)	\$31,200
47-2181	Roofers	(3)	\$38,300
11-9041	Architectural and Engineering Managers	(3)	\$166,000
41-4012	Sales Representatives, Wholesale and Manufacturing, Except Technical and Scientific Products	(3)	\$64,700
53-7021	Crane and Tower Operators	(2)	\$58,400
25-1072	Nursing Instructors and Teachers, Postsecondary	(2)	\$71,400
51-4081	Multiple Machine Tool Setters, Operators, and Tenders, Metal and Plastic	(2)	\$30,100
41-9021	Real Estate Brokers	(2)	\$75,300
13-2061	Financial Examiners	(2)	\$75,400
19-3033	Clinical and Counseling Psychologists	(2)	\$78,100
47-2231	Solar Photovoltaic Installers	(2)	\$58,500
49-2022	Telecommunications Equipment Installers and Repairers, Except Line Installers	(2)	\$49,300
11-9072	Entertainment and Recreation Managers, Except Gambling	(2)	\$72,700
29-1129	Therapists, All Other	(2)	\$73,500
29-1031	Dietitians and Nutritionists	(2)	\$60,200
47-4051	Highway Maintenance Workers	(2)	\$37,500
49-9012	Control and Valve Installers and Repairers, Except Mechanical Door	(2)	\$49,000
15-1243	Database Architects	(2)	\$126,800
49-2095	Electrical and Electronics Repairers, Powerhouse, Substation, and Relay	(2)	\$80,400
43-5031	Public Safety Telecommunicators	(2)	\$41,700

27-3031	Public Relations Specialists	(2)	\$62,700
27-4032	Film and Video Editors	(2)	\$54,100
11-9031	Education and Childcare Administrators, Preschool and Daycare	(2)	\$46,500
19-3034	School Psychologists	(2)	\$66,300
13-1141	Compensation, Benefits, and Job Analysis Specialists	(2)	\$63,500
11-9039	Education Administrators, All Other	(2)	\$87,200
51-8031	Water and Wastewater Treatment Plant and System Operators	(2)	\$43,900
53-3052	Bus Drivers, Transit and Intercity	(2)	\$38,200
27-4011	Audio and Video Technicians	(2)	\$43,300
17-2061	Computer Hardware Engineers	(2)	\$117,000
11-9033	Education Administrators, Postsecondary	(2)	\$110,300
29-2055	Surgical Technologists	(2)	\$51,200
25-2058	Special Education Teachers, Secondary School	(2)	\$61,100
43-1011	First-Line Supervisors of Office and Administrative Support Workers	(2)	\$61,800
47-2071	Paving, Surfacing, and Tamping Equipment Operators	(2)	\$40,800
17-3023	Electrical and Electronic Engineering Technologists and Technicians	(2)	\$59,800
37-1011	First-Line Supervisors of Housekeeping and Janitorial Workers	(2)	\$38,800
39-2011	Animal Trainers	(2)	\$31,600
15-1255	Web and Digital Interface Designers	(2)	\$87,000
49-9052	Telecommunications Line Installers and Repairers	(2)	\$54,100
47-2021	Brickmasons and Blockmasons	(2)	\$46,700
49-2094	Electrical and Electronics Repairers, Commercial and Industrial Equipment	(2)	\$54,600
25-9044	Teaching Assistants, Postsecondary	(2)	\$35,700
17-2199	Engineers, All Other	(2)	\$95,900
39-5094	Skincare Specialists	(2)	\$35,200
29-1215	Family Medicine Physicians	(2)	\$247,400
47-2221	Structural Iron and Steel Workers	(2)	\$42,300
15-1254	Web Developers	(2)	\$75,000
13-2023	Appraisers and Assessors of Real Estate	(2)	\$78,100
31-2021	Physical Therapist Assistants	(2)	\$66,100
51-9195	Molders, Shapers, and Casters, Except Metal and Plastic	(2)	\$33,300
43-4031	Court, Municipal, and License Clerks	(2)	\$38,500
29-2032	Diagnostic Medical Sonographers	(2)	\$70,800

25-1194	Career/Technical Education Teachers, Postsecondary	(2)	\$61,800
25-2032	Career/Technical Education Teachers, Secondary School	(2)	\$59,800
27-1014	Special Effects Artists and Animators	(2)	\$54,700
31-9097	Phlebotomists	(2)	\$34,700
17-2072	Electronics Engineers, Except Computer	(2)	\$117,500
15-1242	Database Administrators	(2)	\$89,900
29-1249	Surgeons, All Other	(1)	\$269,000
49-9096	Riggers	(1)	\$45,500
27-3042	Technical Writers	(1)	\$73,200
49-3052	Motorcycle Mechanics	(1)	\$39,400
25-1042	Biological Science Teachers, Postsecondary	(1)	\$79,000
25-1081	Education Teachers, Postsecondary	(1)	\$65,500
47-2161	Plasterers and Stucco Masons	(1)	\$42,000
21-1092	Probation Officers and Correctional Treatment Specialists	(1)	\$44,700
21-1023	Mental Health and Substance Abuse Social Workers	(1)	\$45,000
25-1032	Engineering Teachers, Postsecondary	(1)	\$109,800
17-2041	Chemical Engineers	(1)	\$154,500
51-9199	Production Workers, All Other	(1)	\$32,000
11-1031	Legislators	(1)	\$48,000
25-4022	Librarians and Media Collections Specialists	(1)	\$58,100
13-2053	Insurance Underwriters	(1)	\$63,400
15-2011	Actuaries	(1)	\$95,900
15-2041	Statisticians	(1)	\$78,100
47-4099	Construction and Related Workers, All Other	(1)	\$38,900
23-1023	Judges, Magistrate Judges, and Magistrates	(1)	\$114,900
25-2059	Special Education Teachers, All Other	(1)	\$58,700
51-9161	Computer Numerically Controlled Tool Operators	(1)	\$44,800
13-1131	Fundraisers	(1)	\$55,400
51-4111	Tool and Die Makers	(1)	\$46,800
29-1291	Acupuncturists	(1)	\$60,500
11-2033	Fundraising Managers	(1)	\$92,200
29-2091	Orthotists and Prosthetists	(1)	\$74,000
29-1216	General Internal Medicine Physicians	(1)	\$271,600
13-2031	Budget Analysts	(1)	\$70,900
29-2035	Magnetic Resonance Imaging Technologists	(1)	\$74,400
33-1011	First-Line Supervisors of Correctional Officers	(1)	\$60,300
13-2052	Personal Financial Advisors	(1)	\$92,000
47-4061	Rail-Track Laying and Maintenance Equipment Operators	(1)	\$46,700

49-9031	Home Appliance Repairers	(1)	\$45,500
49-3022	Automotive Glass Installers and Repairers	(1)	\$38,000
13-1023	Purchasing Agents, Except Wholesale, Retail, and Farm Products	(1)	\$67,400
11-3131	Training and Development Managers	(1)	\$136,900
47-5013	Service Unit Operators, Oil and Gas	(1)	\$49,100
17-1022	Surveyors	(1)	\$61,700
43-4061	Eligibility Interviewers, Government Programs	(1)	\$41,200
29-1224	Radiologists	(1)	\$273,800
49-9069	Precision Instrument and Equipment Repairers, All Other	(1)	\$51,300
49-3051	Motorboat Mechanics and Service Technicians	(1)	\$41,000
51-7042	Woodworking Machine Setters, Operators, and Tenders, Except Sawing	(1)	\$33,700
27-2041	Music Directors and Composers	(1)	\$66,300
17-3027	Mechanical Engineering Technologists and Technicians	(1)	\$53,600
47-2121	Glaziers	(1)	\$40,900
47-2132	Insulation Workers, Mechanical	(1)	\$46,700

C. Labor Force Analysis and Trends

(WIOA §108(b)(1)(C); 20 CFR §679.560(a)(3))

Boards must include an analysis of the regional workforce, including current labor force employment and unemployment data, information on labor market trends, and educational and skill levels of the workforce, including individuals with barriers to employment.

Board Response

The Rural Capital Area unemployment rate has fallen from a peak of 7.1% in 2011 to 2.8% in 2019. The area rate has been consistently lower than the U.S. rate. During 2020 the unemployment rate reached a low of 2.8% in the month of February, however with COVID-19 effecting the entire nation the unemployment rate reached a new high of 11.5% in April 2020. As of December 2020, the unemployment had fallen to 5.1%, with all indications showing it would continue to decline. The yearly average for 2020 fell at 5.9%. In 2021, the average unemployment rate continued the trend downwards, towards pre-pandemic rates. In October 2022, the unemployment rate was at 2.9%. These number are the unadjusted rate.

The current workforce during that timeframe consisted of:

2021				
Region	Labor Force	Employed	Employed	Unemployment Rate
Rural Capital Area WDB	596,530	572,145	572,145	4.1%
Bastrop County, Texas	45,100	43,083	43,083	4.5%
Blanco County, Texas	6,866	6,637	6,637	3.3%
Burnet County, Texas	24,593	23,675	23,675	3.7%
Caldwell County, Texas	19,988	19,007	19,007	4.9%
Fayette County, Texas	11,857	11,349	11,349	4.3%
Hays County, Texas	129,600	124,271	124,271	4.1%
Lee County, Texas	9,057	8,669	8,669	4.3%

[Source: JobsEQ®](#)

1. American Community Survey 2016-2020, unless noted otherwise

2. Median values for certain aggregate regions (such as MSAs) may be estimated as the weighted averages of the median values from the composing counties.

3. Disconnected Youth are 16-19 year olds who are (1) not in school, (2) not high school graduates, and (3) either unemployed or not in the labor force.

4. Census Population Estimate for 2020, annual average growth rate since 2010.

D. Workforce Development Analysis

(WIOA §108(b)(1)(D); 20 CFR §679.560(a)(4))

Boards must include an analysis of workforce development activities in the region, including education and training.

Board Response

Rural Capital Area has multiple Community College, Universities, and private secondary education institutes within our nine (9) county area. With that noted, some educational opportunities in our more rural counties are not provided on the level of our more populous counties. Rural Capital Area has worked over the last two years in order to obtain more “mobile trainings” from our community colleges, partnered with local ISD’s to assist with CTE opportunities and provide LMI, applied

for a received the Teacher Externship Grant for multiple years to assist the educators in their skills of preparing students for occupations, collaborated with other Board Areas to seek out other funding streams to promote and provide training opportunities for areas with fewer opportunities and residents with barriers to employment.

Rural Capital Area has developed individualized county plans that will provide insight to the needs of Rural Capital Area communities as a whole and each individual county.

Part 3: Core Programs

A. Workforce Development System

(WIOA §108(b)(2); 20 CFR §679.560(b)(1))

Boards must include a description of the workforce development system in the workforce area that identifies:

- the programs that are included in the system; and
- how the Board will work with the entities that facilitate core programs and other workforce development programs **to support alignment to provide services**, including programs of study authorized under the Carl D. Perkins Career and Technical Education Act of 2006, that support the strategy identified in the State Plan under WIOA §102(b)(1)(E).

Board Response

Our workforce development system is focused on developing human capital designed to meet the future needs of our local employers. Board, Workforce Center, and partner staff collaboratively work to identify three critical components: future employer needs, employee competencies and skill levels. These three components guide us in identifying occupations where skill gaps can be met by using the program funds that are available from all the partners.

The workforce centers utilize the following strategies to screen and refer customers to enhanced services. Referrals to individual programs are made from those attending orientation and career planning sessions.

- **UI / Initial Claimants**

Unemployed customers are outreached and informed about additional services available in the Workforce Centers during orientation.

- **WIOA**

Customers receive orientation to the WIOA programs and other types of outreach. Trade affected customers, customers who are eligible for UI, those who have attended Rapid Response events, and those participating in Choices and SNAP E&T receive information about the WIOA program. Staff utilize these referral sources and follow up

with customers individually to complete the screening process for intake and enrollment.

- **Rapid Response**

Individuals who will lose their employment due to downsizing or closure will also receive orientations to Workforce Center services, including WIOA programs. Orientations are conducted at the employer site, the Workforce Center or at a neutral location depending upon the request of the employer.

- **TAA / TRA**

Customers may learn about the TAA / TRA program during UI Profiling sessions, TAA orientations held weekly, Rapid Response events, directly from their employer or through outreach efforts at the state level. Interested customers attend individual or group orientations at the Workforce Centers.

- **Services to Veterans**

Veteran's Employment Representative staff identify appropriate veteran job seekers through the Work-In-Texas system. Customers are contacted individually, or may self-refer, for job search assistance, case management, and potential referral to the *Veterans Retraining Assistance Program* (VRAP). The VRAP offers up to 12 months of training assistance to unemployed Veterans, provides training towards an associate degree, Non-College, Degree, or Certificate that leads to a high demand occupation. BSU and Veteran's Employment Representative staff also work to educate businesses concerning the availability of the Work Opportunity Tax Credit (WOTC). The WOTC provides a \$4,800 credit for firms that hire qualifying veterans within one year of discharge or release from active duty, and up to \$9,600 for those who have been unemployed for more than six months in the last year.

- **Limited English Proficiency (LEP)**

Texans with low literacy or poor English language fluency are identified through self-reporting, assessment by Workforce Solutions staff, and/or via the results of a literacy assessment test, such as the TABE.

When a job seeker identifies that he/she does not read, write or understand English very well, several different options are available to aid the job seeker. First, with low English language fluency, the initial method of providing services involves using the language-interpreting service to communicate more fully with the job seeker. Once

the formal method of communication has been established, staff identify the best course of assistance. Staff utilize partnerships with local Adult Education providers, such as the Literacy Council of Williamson County and Community Action Inc. our AEL provider, to provide low or no-cost ESL classes. As budget allows, staff may also refer the job seeker to funded ESL courses at a local community college or proprietary schools.

- **Individuals with disabilities**

Customers that have been unable to find work will be served through the Workforce Centers. The resource rooms have several types of adaptive equipment available, and Workforce Center staff work in conjunction with local advocacy groups.

Each orientation emphasizes the benefits of reentry to the labor force with the advantages of job retention and career advancement. Center staff provide an overview of available center services, conduct intake interviews to assist customers in determining the level and scope of services needed and identify any accommodations or supports needed to assist the customer in achieving employment success.

Center staff are cross trained in providing basic services to universal customers. Talent Engagement Specialists work with program staff to learn each program to refer job seekers to appropriate enhanced services. Integration and referrals with Adult Education and Literacy and Vocational Rehabilitation began in early 2016 and has advanced to the point where all partner staff are familiar with the services of each of the core partners. Adult Education and Literacy and Vocational Rehabilitation staff have been integrated into the workforce centers to ensure services are available to better meet the needs of customers. This model will continue as space and funding allow. There is great excitement between all the partners to have this opportunity to better serve our customers.

The Board is committed to supporting the strategies in the State Plan including strengthening and expanding all existing and developing partnerships to better serve our customers. The opportunities provided by the adoption of the Workforce Innovation and Opportunity Act and the Texas Workforce Commission, now serving as the administrative umbrella for all WIOA core program partners, allows us to plan, implement, and continuously improve services and performance for all program partnerships.

WIOA provides new opportunities for the Board and Career and Technology Education (CTE) to work together to prepare individuals for careers that meet employer skill needs—specifically targeting STEM and middle-skilled jobs. The Board supports the State Plan by:

- identifying career pathways (responding to industry talent needs) and offering customers the opportunity to obtain the skills and credentials necessary to find better jobs at better wages.

- enhancing employer engagement to build an occupational/skills demand-driven system, to improve business services, and provide more work-based learning opportunities.
- aligning individual program policies, procedures, and processes (when not constrained by program-specific law or regulation) to achieve greater partnership in service delivery—working side-by-side with ISD's and seven community college partners.
- seeking practical opportunities to share resources, reduce redundancies and waste, and make integrated service delivery more streamlined for customers.
- providing access to headlight and career headlight to improve access to up-to-date labor market and career information aligned with career pathways and occupational areas of study.
- assign board staff to serve on ISD education advisory committees and ACCTECH (guiding council for articulated credit) at ACC.
- assign business service and youth career staff to work with ISD, business and industry, EDC and COC staff on youth career fairs.
- provide teacher internships with industries—designed to improve teacher knowledge of industry skills needed in stem and middle-skilled careers; and,
- Supporting partner programs in achieving success with the performance indicators.

B. Core Programs—Expand Access, Facilitate Development, and Improve Access

(WIOA §108(b)(3); 20 CFR §679.560(b)(2))

Boards must include a description of how the Board will work with entities carrying out core programs to:

- expand access to employment, training, education, and support services for eligible individuals, particularly eligible individuals with barriers to employment;
- facilitate the development of career pathways and co-enrollment, as appropriate, in core programs, including specific career pathways occupations that the Board currently includes on its Target Occupations List, and career pathways occupations that the Board is planning to develop; and
- improve access to activities leading to a recognized postsecondary credential (including a credential that is an industry-recognized certificate or certification, portable, and stackable).

Boards must include a description of the Board's plan for working with at least one of the Governor's industry clusters.

Board Response

Every individual that seeks workforce assistance, is provided a comprehensive array of services. These include assessments, training and upskilling opportunities, case management and essential forms of support, such as housing, healthcare, transportation, legal assistance, clothing, and a wide range of counseling as appropriate. Detailed assessments are administered to determine immediate and long-term needs and set internal goals that act as mile markers on the individual's career pathway. Through established relationships with support service and training providers throughout the area ensures job seekers will have access to the services required to maximize the opportunities for participation in program services.

Low Income Adults/Choices (TANF) Recipients – Individual Employment Plans IEPs) that include short-and long-term goals, and assistance in education and financial planning that will result in higher wages and increased productivity are developed for TANF Recipients. The service plan includes collaboration with local businesses who have entry-level jobs; identification of workers whose current skills are unsatisfactory to maintain self-sufficient employment; and provision of information to local low-income neighborhood associations and community centers. The workforce team ensures this population gains work-readiness skills through work experience, training provided through partners, online training, and job readiness facilitation.

SNAP Recipients –Workforce Center staff provide daily support for supervised and supported job search during the required participation period for SNAP recipients. Assistance with registration in WIT, resume development, initial and new job leads, assisted job search, and application as job search continues is also provided. Development of job skills and completion of GED and AEL classes through local partners is made available to all SNAP Recipients.

Individuals with Disabilities – The Workforce Centers work with individuals with disabilities providing Workforce Services through collaboration with TWC Vocational Rehabilitation (VR). Participants are assessed for placement with businesses, and we provide information about hiring job seekers with disabilities, ensuring individuals are placed in the right situation to succeed. We build this platform through strong partnerships working with agency and program partners and by providing equipment and resources in our Centers designed specifically to assist identified needs for our non-hearing, non-speaking, or blind job seekers and targeted hiring events for workers with disabilities.

Ex-Offenders – The workforce team works to ensure individuals with criminal records have every opportunity to succeed. We work with probation, parole, and detention centers such as the United States Probation Office and the Texas Department of Criminal Justice,

to register these job seekers in WIT. We provide support during job search, determine programs of eligibility, and provide support throughout program participation.

NCP – Workforce Center staff in coordination with the Office of Attorney General (OAG) work with Individuals who do not meet their child support obligations. These individuals are identified by the OAG and ordered into the NCP program by the Child Support Judge. The goal of the program is to reduce jail time and increase the amount and timeliness of child-support payments through intensive job search and employment retention programming. A Talent Development Specialist completes an assessment, develops an IEP, and discusses the services available in the Workforce Centers, like Choices and SNAP Center services orientation. NCP customers register in WIT and receive assistance in job placement and support services as needed.

Veterans – Our work with veterans to help translate military skills and experiences into civilian terms that businesses understand is in direct coordination with Texas Veterans Commission (TVC) and Texas Veterans Leadership Program (TVLP) staff. Working with veterans, we can address multiple areas of diversity as this population also includes individuals from all target populations. Veterans are provided with priority services. In addition to our workforce veterans' partners TVC and TVLP, we work closely with veteran-serving agencies and organizations such as, the American Legion, Veteran of Foreign Wars (VFW) chapters, and National Guard units to ensure veterans are aware of available services. We provide talent development to veterans for intensive and support services through possible skill upgrades and/or work experience opportunities. Throughout the year the Board implements and supports hiring events and educational events aimed at making veterans aware of available services.

UI Claimants – Individuals on unemployment are connected quickly to businesses through close collaboration with the Business Services Unit (BSU). The workforce team provides a level of service to UI Claimants that assist them to move back to full employment as quickly as possible. Our standard procedures for service to UI claimants or potential claimants include:

- Any visitor to the Workforce Centers requesting information about filing for unemployment will not only receive this assistance but will also be registered on their first visit in WIT. Resume assistance through WIT, and if appropriate, a professional resume is offered. Information on other available training opportunities to assist claimants develop additional skills and/or refresh computer skills, customer service skills, and job search/interview skills are provided.

All these job seekers will be offered at least two job leads before leaving the Center.

- UI Claimants identified as high risk will be outreached by letter and invited into the Center for the Orientation to Workforce Services that their continued UI eligibility mandates.

- Same day registration into WorkInTexas.com, completion of a resume, development of a detailed, personalized IEP with our workforce professional's guidance, and receipt of at least two appropriate job leads is a required part of the orientation appointment.
- UI claimants are encouraged to return regularly or to call for additional assistance throughout their job search and are asked to inform us when they get a job.
- UI claimants are informed of the mandate to contact us within three weeks are encouraged to stay in close contact and are asked to return to the Center for additional job leads and assistance in job search, interview preparation, and online application skills. They are also informed to expect contact every two weeks after this period until they are employed.
- At each contact their IEP is updated and activity documented.

Individuals with Literacy/Language Barriers – The Workforce Center, and AEL provider, work with local GED and English as a Second Language (ESL) providers and have tools available to GED students at no additional cost. Career introduction and planning services and programs are available for GED students who may want/need to complete additional career training through WIOA programs. All services at the Workforce Centers are available in Spanish, and the team can access Language Line services for those job seekers who need an interpreter for other languages.

General Job Seeker – All job seekers are provided the tools they need to successfully obtain employment that leads to self-sufficiency. Job seekers have access to, training through facilitated workshops and job matching, as well as through WorkInTexas.com.

Part 4: One-Stop Service Delivery

A. One-Stop Service Delivery System

(WIOA §108(b)(6); 20 CFR §679.560(b)(5))

Boards must include a description of the one-stop delivery system in the workforce area, including explanations of the following:

- How the Board will ensure the continuous improvement of eligible providers and how providers will meet the employment needs of local employers, workers, and job seekers
- How the Board will facilitate access to services provided through the one-stop delivery system, including to remote areas, through the use of technology and other means
- How entities within the one-stop delivery system, including the one-stop operators and the one-stop partners, will comply with WIOA §188 (related to Non-Discrimination), if applicable, and with applicable provisions of the Americans with

Disabilities Act of 1990 regarding the physical and programmatic accessibility of facilities, programs and services, technology, and materials for individuals with disabilities, including providing staff training and support for addressing the needs of individuals who have disabilities

- The roles and resource contributions of the one-stop partners

Board Response

The Board has monthly meetings with the workforce center operator to review the status of all aspects of the contract for the delivery of workforce services. To ensure continuous quality, the agenda includes a discussion on each of the areas from the monthly report:

- Performance
- Number of customers served in the previous month and year to date
- Budget vs. Actual for expenditures
- Obligations by program
- Status of progress to remediate monitoring and QA findings
- Program participant summary to see if the planned number to serve is being met
- Comments on customer satisfaction surveys that need addressing
- BSU report on employer interactions to ensure the Board remains employer driven
- Data on the number of workforce, VR and AEL documented referrals

In addition to the monthly meetings, key Board staff have weekly calls with the workforce center operator's leadership. This ensures that the Board is fully informed and aware of the health of the service delivery system.

Since March of 2020, the need to adapt service delivery using virtual resources has been a major focus. The Board has worked closely with required WIOA partners and community partners to deliver services using a variety of virtual platforms.

Access to Services

The Board's certified Comprehensive Center is the Bastrop County Workforce Center in Bastrop, TX. The other workforce centers locations are in:

- Burnet, TX (Burnet TX)
- Lockhart, TX (Caldwell County)
- LaGrange, TX (Fayette County)
- San Marcos, TX (Hays County)
- Giddings, TX (Lee County)
- Round Rock, TX (Williamson County)

In partnership with Community Resource Centers, workforce center staff have office space, designated office hours, and the Board provides computers for customers to access workforce services in the following locations:

- Marble Falls (Burnet TX)

- Llano, TX (Llano County)
- Liberty Hill, TX (Williamson County)
- Johnson City, TX (Blanco County)

In addition to our physical service delivery locations the Board provides web-based information on services available to customers—i.e., business services, job seeker services, child care services, labor market information and a link to Work-In-Texas so both employers and job seekers can self-serve.

Adaptive Equipment and Services

Board and workforce center staff conduct annual training on WIOA 188, the Americans with Disabilities Act and proper use of accessibility software and hardware. Board monitoring and QA staff conduct annual accessibility reviews to improve or correct accessibility barriers for individuals with disabilities.

The workforce center operator provides customers equal opportunity to access all facilities, programs, and services without regard to race, color, religion, gender, marital status, age, national origin, disability, political affiliation or belief. We manage and operate the Rural Capital Area Workforce in compliance with EO and ADA requirements.

Minimum Accessibility Standards

To comply with minimum accessibility standard drafted in March 2016, the array of adaptive equipment and services provided for customer use as been expanded in order to assure full accessibility to all available programs and center services. The following is list of adaptive strategies used by contractor staff in each office to assist customers requiring accommodation:

- JAWS Screen Reading Software
- MAGic Screen Magnifier Software
- Microsoft Windows Magnifier
- Microsoft Windows Narrator
- Microsoft Windows On-Screen Keyboard
- Purple Video Interpreting Service (VRI)
- Purple P3 Video Relay Service (VRS)
- MAGic Large Print Keyboards
- BigTrack Trackball Mouse(s)
- Chattervox Voice Amplifiers
- Large Button VOIP Hearing Aid Compatible Telephones
- TTY Telephones (Bastrop, Round Rock, & San Marcos Offices)
- Bi-Level Adjustable Height Workstations
- One-On-One Staff Assistance
- Staff “Notetakers”
- Staff “Readers”

- Bilingual Staff Available (*Spanish* – Bastrop, Cedar Park, Giddings, Lockhart, Round Rock, and San Marcos Offices)
- Language Identification Cards
- Telephonic Language Interpreting
- In-Person Sign-Language Interpreting

Roles and Resource contributions of Partners

The Board has supported the development of trust and a team spirit among center partners that promotes integration and cooperation from staff and partners. The helpful, accurate, and honest flow of information from management to and among staff is crucial to successful integration and alignment of goals amongst center partners. Supervisor and/or site meetings are held to disseminate performance and program information to staff and to promote dialog among staff members about changing service delivery and problem resolution.

Staff training opportunities continue to become more integrated. Topics such as FMLA, Sexual Harassment, ADA Compliance, Violence in the Workplace, Communication, Anger Management, Destructive Behavior and Problem Solving are a few of the modules staff are requested to review. The training program is an innovative computer-based system that guides and engages staff and customers in real workplace scenarios and situations.

Each new staff member receives an intensive New Employee Orientation that covers workforce center operations, customer service, information systems, and other topics. The orientation also introduces new staff to the Workforce Services management system, and the tools available to each Workforce Center staff member, such as the SharePoint, programmatic procedures, quality assurance, monitoring tools, etc.

The co-location of AEL and VR staff in three of Rural Capital's workforce centers has provided for actual time interactions among all the staff. VR, AEL, and workforce staff can routinely share information and resources on an informal basis.

B. Cooperative Agreements

(WIOA §108(b)(14); 20 CFR §679.560(b)(13))

Boards must provide copies of executed cooperative agreements that explain how all local service providers, including additional providers, will carry out the requirements for integration of and access to the entire set of services available in the local one-stop delivery system. This includes cooperative agreements (as defined in WIOA §107(d)(11)) between the Board or other local entities described in §101(a)(11)(B) of the Rehabilitation Act of 1973 (29 USC 721(a)(11)(B)) and the local office of a designated state agency or designated state unit that administers programs that are carried out under Title I of the Rehabilitation Act (29 USC 720 et seq.) (other than §112 or part C of that title (29 USC 732, 741) and are subject to §121(f)) in accordance with §101(a)(11) of the Rehabilitation Act (29 USC 721(a)(11)) with respect to efforts that will enhance the provision of services to individuals who have disabilities and to other individuals, such as cross training of staff, technical

assistance, use and sharing of information, cooperative efforts with employers, and other efforts.

Board Response

WSRCA maintains strong working relationships with WIOA required local partners and local service providers to streamline and enhance service delivery to job seekers and employers. A list of the executed cooperative agreements is here, and copies will be provided upon request.

- AARP Foundation – SCSEP Program
- Capital IDEA
- Experience Works SCSEP Program
- Literacy Council of Williamson County
- Community Action Inc. of Central Texas (Adult Education and Literacy)
- Attorney General’s Office
- Crescent Village LTD
- Community Resource Centers of Texas (Llano, Marble Falls,
- Opportunities for Williamson and Burnet Counties (OWBC)
- Capital Area Council of Governments
- Early Childhood Coalition of Hays County
- Creekside Townhomes
- First Call for Help - 211
- Georgetown Housing Authority
- Northwest Apartments
- San Marcos Housing Authority
- UT Health Science Center at Houston

C. Employer Engagement, Economic Development, and Unemployment Insurance Program Coordination

(WIOA §108(b)(4); 20 CFR §679.560(b)(3))

Boards must include a description of the strategies and services that will be used in the workforce area to do the following:

- Facilitate engagement of employers in the workforce development programs, including small employers and employers in in-demand industry sectors, in-demand occupations, and target occupations
- Support a local workforce development system that meets the needs of businesses in the workforce area
- Better coordinate workforce development programs and economic development
- Strengthen links between the one-stop delivery system and unemployment insurance programs

Note: This may include the implementation of initiatives such as incumbent worker training programs, on-the-job training programs, customized training programs, industry and sector strategies, career pathways initiatives, use of effective business intermediaries, and other business services and strategies designed to meet the needs of regional employers. These initiatives must support the strategy described above.

Board Response

Workforce Solutions Rural Capital Area, through its Business Services Unit (BSU), brings businesses and job seekers together. We work with Unemployment Insurance (UI) claimants and assist customers that need specific help. We outreach and foster business relationships with employers by educating them on the availability of skilled job seekers in their area, obtainable tax credits, and the opportunity to participate in activities such as on-the-job training. The BSU maintains an “inventory” of available job seekers we have in Work in Texas in each county and the Employers in each county that do the most hiring. BSU staff make personal contact to the Chamber of Commerce’s and Economic Development Cooperative’s to build strong and continuing relationships with them.

To further ensure employer engagement, the Board completed individual strategic plans for each of its nine counties. Each plan identifies the county’s workforce challenges using LMI data and input from employers, local elected officials, economic developers, chambers of commerce, independent school districts and community colleges, and community organizations gathered during community meetings regarding the workforce. There is also a summary plan of common challenges shared by all counties and the common strategies to address them.

The following steps were taken in the development of the county plans:

- A. Identification of stakeholders in each county - elected officials, economic development corporations, chambers of commerce, employers, and education representatives to involve in the development of the county plans and implementation.
- B. Holding focus groups with the identified community stakeholder including WSRCA Board members and staff to understand how workforce services are currently provided, identify additional workforce services that are needed and opportunities to make significant improvements in delivery of workforce services.
- C. Facilitating additional discussions to include strategies for independent school districts, regional community colleges and training providers on ways they can work together to significantly improve access to education, training, and apprenticeship opportunities, especially in rural counties.
- D. Identification of ways to blend resources from a variety of federal, state, county, and city funding streams to enhance the delivery of local workforce training programs.

- E. Identification of organizations within each county that provide support services such as child care, transportation, housing, and training to assist individuals in overcoming barriers to obtaining and retaining employment.
- F. Defining short and long range strategies to improve employer and workforce services in each county.
- G. Defining benchmarks and developing community dashboards for reporting to Chief Elected Officials and community partners that demonstrate progress and effectiveness in areas such as:
 - Accountability for employment results;
 - Transparency for job seekers to help them make better career choices;
 - Employer engagement and services to businesses;
 - Coordination and collaboration across workforce; and educational programs.
- H. Exploration of possibilities of unrestricted county and city funding for use in meeting the needs of employers and job seekers when they are do not meet federal and state eligibility requirements to receive workforce services.

Internal Business Services

Internal Business Services are provided by the Talent Engagement Specialist (TES), whose primary assignment is to work with Unemployment Insurance (UI) claimants, assist universal customers that need specific help, and assist employers within the center. Within this context, the TES performs the following tasks:

UI Claimant Support

Each week all TES staff receive a list which shows new UI claimants. The database is a developed program that tracks the UI claimants' job search progress within the first ten weeks of their UI period. The TES will:

- make initial contact with the claimant and provide WIT service(s) within 48 hours
- provide information on center services available to the claimant up to and including workshops
- provide job seeking tips along with job matches from WIT
- direct claimant to applicable orientations and workshops
- refer claimant to other program assistance where applicable
- review claimant Work-In-Texas.com application and suggests possible improvements to increase the potential for job match
- prepare center orientation material, including job search process and Employment Plan process
- look for a possible job development opportunity when there are no jobs matched in WIT; refer to BSU
- share information regarding virtual job training options that are available for skills upgrades

- recommend other job search sites to maximize the claimant's exposure in the job market
- make contact every week to check on claimants' job search progress, provide job search recommendations and encouragement, and document hires
- enter employment verification from UI claimants in WIT within 24 hours of notification

Re-Employment Services Eligibility Assessment

Re-Employment Services Eligibility Assessment (RESEA) connect unemployment insurance claimants who are likely to exhaust their benefits with reemployment services to help them find new employment as quickly as possible. The activities include orientation, staff assistance with developing an individualized employment plan, conducting an unemployment benefits eligibility assessment, providing the claimant with customized labor market information, and other staff-assisted career services provider either at our offices or virtually.

Each week, the RESEA Talent Development Specialists review the list of claimants to outreach from WorkInTexas.com. The list is provided by the TWC UI department, based on the profiling score assigned to the claimant that indicates the likelihood the claimant will exhaust UI prior to returning to work. All claimants above the cutoff score must be outreached for an orientation session each week.

Once the claimant is outreached, the RESEA staff work to provide the orientation and required services within the correct time frames and ensure appropriate data entry.

Universal Customer Support

Many customers need specific assistance in their job search efforts. The Board has invested in telework equipment and training for staff, as well as training options for job seekers and incumbent workers. In these instances, a TES talks with these customers, determines their needs, and provides the appropriate assistance. Support includes similar activities as listed above in the UI section above.

TES staff members also provide significant in-house services to the business community. One of these is job posting support and monitoring. TES staff members review daily all new postings submitted directly to WIT by the business. During this activity, the TES will:

- Perform a quality assurance review of each new business posting assigned to the office,
- Run veterans first day job matches and send the matched job seeker notification of the match for follow up, (first 48 hours is veterans only) then run third day matches for the general job seeker population, run weekly matches for follow up,
- Follow-up weekly with employers on open postings,
- Provide weekly follow-up on close-pending postings,

- Assist employers that contact WSRCA offices by telephone for issues such as:
 - Determine specific needs of customer,
 - Set- up accounts for business in WIT or update existing accounts as appropriate,
 - Talk business through the process of entering a posting themselves ,
 - Enter job posting for the employer if they so desire,
 - Explain details of job matching such as matching process, veteran's preference, etc.,
 - Discuss other services such as hiring events, etc.,
 - Provide information on services outside of office such as TWC Tax Dept info, etc.,
 - Assist employers with job fairs inside WSRCA offices.
- Assist employers that come into WSRCA offices in person – similar to those that call in above.
- Refer employers to the Rural Capital Headlight website (<http://www.ruralcapitalheadlight.com/>) to provide Labor Market Information (LMI)
- Assist other Workforce staff with questions about job postings
- Coordinate/communicate with other Workforce offices regarding business/job posting issues.

External Business Services

WSRCA staff work to deliver services and programs relevant and responsive to employers' needs. Staff recognizes the importance of quality customer service beginning with the initial contact with a new employer. To "sell the system" and ensure continued usage, staff must provide quality, responsive services on a consistent basis. The primary goal of the Business Services Unit is to meet employer needs, so they return and promote Workforce Solutions services to other employers.

External Business Services are provided by Business Services Unit (BSU). BSU staff engage employers, Chambers of Commerce, and Economic Development Cooperatives and provide direct support to them as appropriate. The BSU meets with employers at their place of business and offers a summary explanation of the general services available to employers, while detailing specialized services such as WOTC, subsidized employment, temporary statewide initiatives, OJT opportunities, and other board directed projects. As with all WSRCA staff, each BSU has specific state and local goals that must be achieved through the performance of assigned responsibilities.

Support activities provided by the external BSU include:

- **Recruitment and Hiring Assistance**

BSU staff use WIT as a primary tool to search for qualified employees. By taking advantage of WIT job matching features and evaluating previous jobs, better candidates can be presented to the employer. Additionally, labor market research by the BSU gives the employer better insight to the local competition for employees and the pay scales that will increase hire chances for the employer.

- **Customized Job Postings**

Staff assists Employers in the creation of higher yield job postings. This is done by using knowledge of the local business market, the expectations of current job seekers, in-depth knowledge of how WIT works, use of industry key words, detailed understanding of the employer expectations, etc. All of these contribute to finding the best employee match in WIT.

- **Labor Market Information**

LMI provides key economic data about occupations and in-demand industries along with information about labor market trends, local economic conditions, future economic developments, and overall labor supply in the local area. The BSU will refer employers to the Rural Capital Headlight website (<http://www.ruralcapitalheadlight.com/>) for Labor Market Information (LMI). This is one component of our Business Services Unit Plan.

- **Facilities for Interviewing**

Staff arranges space for employer job fairs/hiring events in local offices. Additionally, BSU coordinates space needs with employers if office space is either unavailable or inadequate.

- **Screening and Referring Qualified Applicants**

Staff can assist employers in a screening process, i.e., place jobs on level 2 or 3 in order to find an employee that closely matches the employer's need.

- **Liaison for TWC Information and Services**

BSU staff can provide specific information regarding TWC publications and data such as *Just For Employers*, etc.

- **Business Seminars**

The TWC Commissioner for Employers sponsors annual employer seminars around the state. Employers are encouraged to attend at least one of these seminars to learn the nuts-and-bolts information on state and federal employment laws and how to deal with the unemployment claims and appeals process. The BSU staff provides information to employers about these sources of business information.

- **Tax Credit Information**

Staff can inform Employers of Tax Credit incentives such as WOTC and similar programs.

- **Fidelity Bonding**

This program delivers a unique bonding service that is not duplicated by any other program in the U.S. to secure the job placement of ex-offenders and other high-risk job applicants, it provides employers with a financial incentive to hire the hardest-to-place jobseekers.

- **On-the-Job Training**

On-the-Job Training (OJT) provides unique opportunities for participants who already possess some job-related skills and the knowledge to "learn as they earn". By participating in training as an employee, the participant not only acquires new skills and knowledge, but also receives the same wages and benefits as current employees.

- **Work Experience**

Staff will serve as Liaisons between Case Managers and Employers to place Eligible Job Seekers in an unpaid work sites to benefit both the Employer and Job Seeker. This service will also include subsidized work experience for the Choices program.

- **Rapid Response Service**

At the Board's direction, the Business Services Unit (BSU) and center staff coordinate with the employer where rapid response services are being provided to provide on-site workshops and job search. Beyond mere presentations of Workforce Center services, the BSU connect affected job seekers to the Texas Workforce Network to speed their transition to new employment or, when appropriate, training. By leveraging and localizing center activities to the employer site, the BSU acclimatizes job seekers to our job search systems and reduces their anxiety concerning unfamiliar processes and technical systems. With a sense of familiarity created, more job seekers would more effectively participate and utilize our offices, equipment, and systems at their option.

WSRCA ensures our regional populations are educated, prepared and trained for the highly technical, knowledge-based careers our EDC partners are recruiting to the area. To drive the economy forward, the region's workforce will require significantly different and higher levels of education and training than ever before. WSRCA coordinates with local Chambers of Commerce, Economic Development Councils, industry representatives and small business owners to determine the issues that affect regional growth and create plans for improvement. Skills gaps continue to be widely regarded as a restraint to employment growth.

To meet some of these skills needs, WSRCA coordinates with local community colleges, AEL and VR to work with EDC partners and employers to customize training options for both the employers' incumbent and new hire employees. WSRCA uses resources such

as High-Demand Job Training (HDJT) grants, Texas Industry Partnership (TIP) grants, Skills Development funds and other business grants and supports to mitigate the skills needs, based on employer demand. Additionally, the Business Solutions Consultants hosts targeted job fairs, participate in business recruitment, retention and expansion efforts with local EDCs and Chambers to ensure training is targeted at the current and future needs of the employers.

WSRCA collaborates with the Texas State University Small Business Development Center to better understand the opportunities, needs and challenges in our local economies and develop successful entrepreneurs. WSRCA partnered with Texas State University to offer Entrepreneurial Boot Camps throughout the nine county area.

D. Coordination of Wagner-Peyser Services

(WIOA §108(b)(12); 20 CFR §679.560(b)(11))

A description of plans, assurances, and strategies for maximizing coordination, improving service delivery, and avoiding duplication of Wagner-Peyser Act services and other services provided through the one-stop delivery system.

Board Response

Staff Integration

The Onestop Operator has worked systematically to develop trust and a team spirit among Workforce Center staff to promote integration and cooperation for both staff and programs. All Workforce Center staff, including partner staff, have access to immediate supervisors and support staff whose leadership provides consistent information and direction.

The online customer feedback program is for all staff. The goal of the program is to develop positive behaviors and teamwork across the entire staff and is based on the common purpose “We create an environment of hope and success by empowering those we serve through respect and care.” This model of staff enrichment allows independent feedback from each employee to improve the workforce center experience for the customer and the client.

Supervisor and site meetings are held monthly or more frequently to disseminate factual, performance and program information to staff and to promote dialog among staff members about changing service delivery and problem resolution. Information and orientation meetings are held to inform and connect staff facing transition into a more integrated service model and to apprise all staff of these changes.

Staff training opportunities continue to become more integrated. Topics such as FMLA, Sexual Harassment, ADA Compliance, Violence in the Workplace, Communication, Anger Management, Destructive Behavior and Problem Solving are a few of the modules staff

are requested to review. The training program is an innovative computer-based system that guides and engages staff in real workplace scenarios and situations.

Each new staff member receives an intensive New Employee Orientation that covers workforce center operations, customer service, information systems, and other topics. The orientation also introduces new staff to the WSRCA; workforce management system; and the tools available to each Workforce Center staff member, such as SharePoint, programmatic procedures, quality assurance, monitoring tools, etc.

Staff Training

Our staff members are expected to deliver services in a way that implements the WSRCA's vision and mission and complies with all governing rules and policies. We provide them with the ongoing training needed to meet this expectation. All current staff received and continue to receive on-going training in documenting case files, utilizing State information, use of reporting systems such as TWIST and WIT and are proficient in these areas, as applicable to their respective jobs. Monthly, Bi-Monthly or Quarterly meetings are held with program staff, by group, during which policy and procedure updates and skills-training is conducted.

Training plans have been developed by job description for all staff. Each new staff member participates in program specific training plans outlined to train staff in both universal topics and program specific topics. Training methods will include online self-training, along with group and one-on-one training provided by managers. This approach to training will ensure more consistent and comprehensive skills for everyone.

The online staff training includes use by workforce center staff to train in the following topics:

- FMLA, ADA, Sexual Harassment, and Preventing Violence in the Workplace
- Job Success Training on such topics as Anger Management, Problem Solving, Leadership and others
- Effective Supervision

The online training offers a tracking, recording, and reporting system for the management of staff training.

Each year, staff members receive:

- Cross-training across various programs to ensure integrated service delivery,
- Annual ethics and ADA/EO training,
- Policy and systems training,

- And other topics as needed to ensure contract compliance, attainment of performance goals and continuous quality improvement.

All workforce center employees are required to complete annual ethics training, which covers confidentiality of information. Guidelines regarding proprietary information are provided to each new staff member during new employee orientation and at numerous times during the year. In addition, confidentiality of information is addressed on the P41 and Standards of Conduct forms, which each staff member is required to sign.

E. Integrated, Technology-Enabled Intake and Case Management

(WIOA §108(b)(21); 20 CFR §679.560(b)(20))

Boards must include a description of how one-stop centers are implementing and transitioning to an integrated, technology-enabled intake and case management information system for programs carried out under WIOA and by one-stop partners.

Board Response

The one-stop centers use the State required systems.

- WorkInTexas is the online job search and job matching system developed and maintained by TWC, it provides job matching options based on skills, experience, LMI, and is available to both employers and job seekers.
- The Workforce Information System of Texas (TWIST) is used for integrated intake, eligibility, case management, and reporting of employment and training services. This program allows intake information and service history information to be shared by staffs providing multiple employment and training services and the information can be accessed statewide.
- Child Care Attendance Automation is used by parents to record attendance.
- Cash Draw and Expenditure Reporting is used to draw funds from program allocations.

The Board also uses Microsoft SharePoint, a browser-based collaboration and document management platform from Microsoft. It allows workforce center, adult education and literacy and vocational rehabilitation staff to use a centralized, password protected space for customer referral, tracking and document sharing.

Part 5: Workforce Investment Activities

A. Economic Development and Entrepreneurial/Microenterprise Activities

(WIOA §108(b)(5); 20 CFR §679.560(b)(4))

Boards must include an explanation of how the Board will coordinate local workforce investment activities with regional economic development activities that are carried out in the workforce area and how the Board will promote entrepreneurial-skills training and microenterprise services.

Board Response

WSRCA ensures our regional populations are educated, prepared and trained for the highly technical, knowledge-based careers our EDC partners are recruiting to the area. To drive the economy forward, the region's workforce will require significantly different and higher levels of education and training than ever before. WSRCA coordinates with local Chambers of Commerce, Economic Development Councils, industry representatives and small business owners to determine the issues that affect regional growth and create plans for improvement. Skills gaps continue to be widely regarded as a restraint to employment growth.

To meet some of these skills needs, WSRCA coordinates with local community colleges, AEL and VR to work with EDC partners and employers to customize training options for both the employers' incumbent and new hire employees. WSRCA uses resources such as High-Demand Job Training (HDJT) grants, Texas Industry Partnership (TIP) grants, Skills Development funds and other business grants and supports to mitigate the skills needs, based on employer demand. Additionally, the Business Solutions Consultants hosts targeted job fairs, participate in business recruitment, retention and expansion efforts with local EDCs and Chambers to ensure training is targeted at the current and future needs of the employers.

WSRCA collaborates with the Texas State University Small Business Development Center to better understand the opportunities, needs and challenges in our local economies and develop successful entrepreneurs. WSRCA partnered with Texas State University to offer Entrepreneurial Boot Camps throughout the nine county area.

B. Rapid Response Activity Coordination

(WIOA §108(b)(8); 20 CFR §679.560(b)(7))

Boards must include a description of how the Board will coordinate workforce investment activities carried out in the workforce area with statewide rapid response activities described in WIOA §134(a)(2)(A).

Board Response

WSRCA will partner with the State Rapid Response unit to ensure local employers and workers receive timely and appropriate services. The need for rapid response services may be identified in several ways:

- Reading / receiving an announcement or notification of a permanent closure of a business location regardless of the number of workers affected,
- Announcement or notification of a mass layoff affecting 50 or more workers, or receiving notice that a Worker Adjustment and Retraining Notice (WARN) has been filed regardless of the number of workers affected by the announce layoff,
- A mass dislocation resulting from a natural disaster or other event, as defined by state or local emergency management sources,
- The filing of a Trade Adjustment Assistance (TAA) petition.

Once the need for rapid response services is identified, the rapid response coordinator works with the assigned business solutions consultant to reach out to the employer to begin discussions on layoff aversion and transition and re-employment services to affected workers. During this conversation, the business solutions consultant works in collaboration with the authorized representative at the business to determine the appropriate method for delivering the information to the affected employees.

Once agreement has been reached regarding how to interact with the affected employees, the rapid response coordinator and the business solutions consultant will work with the local talent impact units within the workforce solutions offices to prepare the information to provide to affected employees. This information will include information on:

- Training on and registration in WorkInTexas.com
- Providing information on basic eligibility for unemployment benefits and how to apply for UI.
- Job search assistance
- Accessing community resources
- Job application and résumé preparation
- Assessing accomplishments and skills
- Résumé development assistance
- Interviewing skills and effective interviewing techniques
- Coping with job loss
- Labor market information—including information on target and demand occupations
- Customized lists of current job openings
- Customized and targeted job fairs
- Coordination of language interpreters and services for the visually and hearing impaired
- When appropriate, information on how to petition for TAA
- Group stress management seminars, and
- Group financial management seminars

The Business Solutions Consultants use this opportunity to foster ongoing relationships with the businesses affected. This creates opportunities to support businesses and share information about other services that are available to the employer. The consultative process in employer relationship development fosters the ability to support businesses in periods of growth and decline.

If the layoffs are the result of a natural disaster, TWC and the Board rapid response teams coordinate services with other Federal and State agencies, including the Federal Emergency Management System (FEMA), the Texas Division of Emergency Management, and the Office of the Governor, Disaster Preparedness. The coordinated natural disaster rapid response services provide early intervention assistance designed to transition workers to their next employment as soon as possible. If a disaster assistance period is declared, Disaster Unemployment Assistance (DUA), which provides unemployment benefits for individuals who lost their jobs or self-employment, or who are no longer working as a direct result of a major disaster, is coordinated between TWC and board staff.

C. Youth Activities and Services

(WIOA §108(b)(9); 20 CFR §679.560(b)(8))

Boards must include a description and assessment of the type and availability of workforce investment activities for youth in the workforce area, including activities for youth with disabilities. This description must include an identification of successful models of such activities.

Board Response

Our program structure starts with career and academic assessment for our Youth customers to strengthen career readiness, while also seeking to identify in this early stage, potential barriers that may impede the progress of each individual. Staff use an open-entry, open-exit series of activities and workshops and activities. For in-school youth we offer presentations, workshops, and other enrichment activities onsite within their schools. Facilitated workshops are offered to help young adults determine a strategy for preparing for and finding employment based on their skills. Using **labor market information** in visual, interactive, and easy-to-understand career lattices, the Youth program facilitates tangible job search, career readiness and job preparation activities while participation in the workshops provide us with the opportunity to identify young adults that may need more career services compared to those who have the skills to find employment with less preparation.

Youth customers are given the opportunity to further develop their financial literacy using our relationship with **MoneySKILL**®, an online curriculum that educates young adults in the basic understanding of money management fundamentals in the content areas of income, expenses, saving, investing, credit and insurance. Each youth creates a

household budget will be able to articulate information about saving and making informed financial decisions.

- **Leadership development** activities are provided throughout the program and include individual and group activities, such as teamwork training, peer mentoring, guest speakers from and field trips to postsecondary educational institutions, guest speakers from partner agencies on leading healthy lifestyles, parenting classes, and group planning and conduct of community service projects.
- **Web-based learning tools** are available that offer a library of more than 4,000 vocational skills, job readiness, motivational, and Adult Basic Education/General Education Diploma courses, which have been developed by industry-leading experts to ensure the courses build talent and develop a more knowledgeable, productive, and valuable workforce. Some of the courses the staff may assign to support youth work readiness and retention goals include:

Strategies for Resolving Workplace Conflicts	Professionalism, Business Etiquette, and Personal Accountability
Receiving Feedback and Criticism	Effective Team Communication
Achieve Goals Through Perseverance and Resilience	Ethical Decision-Making in the Workplace
Critical Thinking Essentials: What is Critical Thinking?	Developing Your Reputation for Professionalism and Business Etiquette
Business Grammar, the Mechanics of Writing	Interpersonal Communication: Communication with Confidence
Get Ready, Get Hired-Social Networking for Job Seekers	Creating a Positive Attitude
Setting Goals	Coping with Conflicting Priorities
Workplace Safety	Campus to Corporate: Developing a Professional Image

Time Management: Planning and Prioritizing Your Time	Managing Your Career: Getting on the Right Track
Managing Your Career: You and Your Boss	Getting Results Without Authority: Building Relationships and Credibility

Through participation in WIOA, all youth will receive extended instruction on how to prepare a resume and will be coached on how to enter and upload their full resume into www.WorkinTexas.com. Workshops, that both in-school and out-of-school youth access, empower them to create and complete resumes and other documents (cover letters, reference pages, thank you letters) using industry and employer-oriented content that enable them to target jobs by industry groups using O*NET job families.

We strengthen our relationships with young adults and gain their full understanding of and commitment to the program and their individual goals during the assessment process. Participants build peer relationships that strengthen their program participation and they become enthusiastic about their career pathways-goals after doing the research to understand and be fully committed to them.

All youth with low basic skills at enrollment or who lack a high school diploma are provided with **tutoring, study skills training and instruction**, which may include **alternative secondary school instruction or dropout recovery services**. Those who are in school receive one-on-one and small group assistance based on their needs to address any deficiencies that could prevent their graduation. Out-of-school youth will be connected to Adult Education and Literacy classes and staff will also provide services using **GED Academy™**, which was developed in partnership with Essential Education, the premier publisher of adult learning materials. **GED Academy™** is an online, stand-alone, self-paced, and fully customizable preparation program consisting of 600 interactive lessons for ABE instruction and GED/HSE tests. The program meets NRS grade equivalents from Low Intermediate Basic Skills (4.0 - 5.9) through High Secondary (11.0 - 12.9).

Our approach to academic instruction is to ensure it is skill appropriate and provided in settings, whether at our location, on campus at the Community College, or through virtual or distance learning, that are appropriate for young adult participants. Staff that facilitate learning will have appropriate experience and education to do so and use regular pre-and post-tests, guided by the learning management system, to document participation, progress, and academic skills gains.

Within each of the tracks, we provide opportunities for youth to gain **occupational skills** related to their career pathway goals. This training can occur in a number of contexts, depending on the individual needs of each participant, such as:

- Concurrent enrollment at a local college for short-term occupational training in demand occupations;
- Use of **web-based learning tools** to build skills in a number of occupational areas such as:

Microsoft Office Skills	Accounting and Finance	Introduction to Technology
Call Center	Programming/Web Design	Human Resources
Language	Industrial Trades	Security Guard
Helpdesk Hardware/Software	Medical Billing	Customer Service
Business Grammar/Writing	Food Service and Hospitality	Office Receptionist
Basic Office Skills	Effective Communications	Custodial Maintenance
Computer Software	Sales and Marketing	Healthcare

Occupational skill training will be offered concurrent with, and in the same context as, skills needed for the positions targeted for placement.

Follow Up

All youth exited from the WIOA Youth program will be put into a follow-up service where educational and employment progress is monitored for one year after exit. Youth also have an opportunity to remain in contact with their career counselor to keep them informed of any life changes or situations that require support assistance. It is our goal to assist youth on their path and provide tools to allow youth to be successful on their journey.

D. Coordination with Secondary and Postsecondary Education Programs

(WIOA §108(b)(10); 20 CFR §679.560(b)(9))

Boards must include a description of how the Board will coordinate its workforce investment activities with relevant secondary and postsecondary education programs and activities to coordinate strategies, enhance services, and avoid duplication of services.

Board Response

WSRCA will use career fairs to provide initial career path information to students beginning at the middle school level and continuing throughout their education. We will also use our Career Progression Lattices to provide skills information to school counselors, parents, students, and employers. Rural Capital Headlight provides access to useful knowledge about career education programs and activities by county, area, or region.

We work with local Chambers and ISDs to provide classroom teachers with professional development through teacher externship programs. Working with industry allows the teachers to increase their knowledge of the skills required within a specific industry and then share their knowledge and experiences with other classroom teachers and students.

The Board coordinates access to training with our AEL partners to better integrate adult education job seekers into the workforce by expanding adult ESL (“English as a Second Language”) programs and bi-literacy efforts as well as jointly providing integrated education and training (IET) opportunities in Demand Occupations.

E. Child Care and Early Learning

(40 TAC §809.12 Board Plan for Child Care Services)

Each Board must include a description of how the Board is strategically managing child care and early learning within its workforce system to enhance school readiness and strengthen and support the child care industry.

Note: This may include efforts to:

- Coordinate with employers, economic development, and other industry leaders to increase the awareness and importance of early learning as a workforce and economic development tool
- Support improved school readiness through higher-quality child care, including Texas Rising Star, and through partnership opportunities such as prekindergarten partnerships

- Support the needs of the child care industry, which could include assistance with business development or shared services, as well as opportunities to support professional growth and career pathways for early education

Board Response

WSRCA has long understood the critical importance of safe, high-quality, stable early care and education as a backbone to economic development of the rural areas. Our childcare and early learning services include strategies to support parents and childcare providers as businesses and employers.

Parents and Children

WSRCA supports parents who are enrolled in the childcare program in several ways. Parents applying for childcare services and throughout their service delivery receive informational material about the resources and assistance available through the workforce system, emails and updates to programs and services and invitations to workshops and virtual events. Additionally, the WSRCA convenes quarterly meetings with the workforce and childcare contractors to discuss and improve the referral mechanism between both programs. Systems are developed that support ongoing communication and interaction using the state provided information systems. Procedures are in place for Child Care Solutions to refer to Workforce Solutions in the following instances:

- Parents who have lost employment and are on a time-limited job search,
- Parents who are close to completion of an education / training component,
- Parents who have continued participation with Child Care Services and may be interested in upskilling for career enhancement.

Providers as Businesses and Employers

Additionally, WSRCA supports early care and education providers with their business and employment functions. All WSRCA early care and education providers are outreached by the Business Services Consultants when a provider agreement is signed with WSRCA. This outreach provides the early care and education provider with information on the tools and supports offered by WSRCA to support the provider's business and hiring needs. Providers are provided with registration into www.workintexas.com and receive information on small business support and expansion, if applicable. The Business Solutions Consultants will periodically check in with early care and education businesses to offer assistance with staff screening and hiring support.

Coordination with EDC's and Industry Leaders

WSRCA has identified access to and availability of safe, stable, high-quality early care and education as a core economic development restraint, based on stakeholder input and

feedback in our nine-county area. Community coalitions are being established in each county to address core issues that affect economic development and prosperity in the community. Industry leaders, economic development councils, chambers of commerce, early care and education advocates and school district representatives will be included as participants of these coalitions and working groups.

Additionally, WSRCA is active in building Pre-kindergarten (pre-k) partnerships between private early care and education providers and local school districts. Creating sustainable partnerships between education and industry increases the capacity in the community, allowing more families the opportunity to access early care and education. Texas Rising Star providers have the framework to build strong relationships with local school districts for pre-k coordination and expansion.

Professional Development in the Early Care and Education Field

WSRCA has also created a system of Career Lattices that shows the career progression for early care and education professionals. This lattice attracts new talent into the early care and education field and provides a framework for career advancement. Additionally, WSRCA is a proud partner of several professional development initiatives and will continue to look for and expand participation in future opportunities:

- Child Development Associate (CDA) training and credential offered through Quality Initiatives funding
- Texas School Ready (TSR) program is a comprehensive preschool teacher training program combining a research-based, state-adopted curriculum with ongoing professional development and progress monitoring tools. Teachers enrolled in TSR are provided tools to help them learn more about specific instructional needs of children to help children be better prepared for school.
- Together 4 Children Leadership Academy is designed to increase administrators' capacity to lead teams toward program excellence. Directors are challenged to think differently to discover new ways to inspire a thriving work climate and promote teacher retention through leadership.
- Collaborative for Children Business Accelerator program to increase the number of quality child care centers and family child care homes, with a specific focus on increasing capacity in underserved areas and to strengthen Texas' child care system. The business accelerator provides eight weeks of intensive business training to improve the efficiency of business back-office functions.
- Start Smart Hays and Caldwell is a community coalition designed to help every child become school ready and have a good start in life. The coalition shares resources, best practices and creates awareness in the community to connect families to needed resources.
- Bastrop County Cares (BCC) works to provide solutions in the community to improve social determinants of health. WSRCA participates with BCC on the early childhood coalition with a goal of increasing capacity in the county, with a specific emphasis on quality. Additionally, BCC and WSRCA work with the local EDC's to

identify ways to leverage funding to better support the community with early care and education services.

- Cedar Park – Leander Early Childhood Coalition is a pre-k partnership designed to connect interested TRS providers with local elementary schools to expand access to pre-k instruction for young learners.

F. Transportation and Other Support Services

(WIOA §108(b)(11); 20 CFR §679.560(b)(10))

Boards must include a description of how the Board will provide transportation, including public transportation, and other appropriate support services in the workforce area in coordination with WIOA Title I workforce investment activities.

Board Response

The Board coordinates a mix of supportive services based on individual job seekers needs--like child care, transportation, work related expenses and other financial assistance. These collaborations are not only with our partners in the one-stop center but also with local human services agencies and educational institutions.

Customers enrolled in WSRCA sponsored programs can receive support services to remove barriers to employment, education, training, and participation in workforce programs. Support services are provided as authorized by program rules and if determined to be necessary and reasonable. Support services may include:

- Child care
- Transportation
- Special assistance (pre-employment and post-employment)

G. Coordination of Adult Education and Literacy (AEL)

(WIOA §108(b)(13); 20 CFR §679.560(b)(12))

Boards must include a description of how the Board will coordinate WIOA Title I workforce investment activities with AEL activities under WIOA Title II. This description must include how the Board will carry out the review of local applications submitted under Title II consistent with WIOA §§107(d)(11)(A) and (B)(i) and WIOA §232.

Board Response

WSRCA has created the Rural Capital Area Integrated Services Initiative that brings together the WSRCA as the workforce development partner, the Adult Education and Training provider and the Texas Workforce Solutions – Vocational Rehabilitation Services teams to create a leadership council. This partnership is designed to facilitate the seamless integration of the three agency's services into the one-stop centers. The

underlying goal of the partnership is to help job seekers access the education, training, and support services they need to find self-sufficient employment, with a complementary goal to match employers with the skilled workers they need to compete in the global economy.

The leadership council meets on a quarterly basis and includes three workgroups comprised of frontline staff from each organization:

- The Customer Welcome workgroup – this workgroup will develop plans and tools for the sharing of system services by program partners that focuses on outreach, intake, orientation, and initial assessments.
- The Customer Connections workgroup – this workgroup will develop plans and tools for the seamless sharing of customer information by program partners that focus on referrals between programs, services, and coordination of activities.
- The Business, Job Search and Job Attainment workgroup – this workgroup will develop plans and provide specific details for the delivery of integrated business services for all partners, establish tools for integrating current partner business services teams so they will connect more system customers to employment and support achievement of performance goals of all system partners.

Each workgroup meets at least quarterly, or more often if needed, and will address the goals / tasks identified by the leadership council. An example of one goal is the partnership and development of Integrated and Educational Training (IET) for customers requiring occupational training paired with Adult Basic Ed training.

The leadership council provides the oversight to ensure integrated, coordinated service delivery across programs, appropriate sharing of data and information related to referrals, and the outcomes associated with those referrals.

Board staff will review applications submitted under Title II to ensure service delivery and performance goals are consistent with those elements included in the Board's cooperative agreement on integration and alignment of services and training--also included in the board plan.

Part 6: Adult, Dislocated Workers, and Youth Services

A. Adult and Dislocated Worker Employment and Training

(WIOA §108(b)(7); 20 CFR §679.560(b)(6))

Boards must include a description and assessment of the type and availability of adult and dislocated worker employment and training activities in the workforce area. Boards must include a description and assessment of the type and availability of

adult, dislocated worker and youth employment and training activities in the workforce area.

Boards must also include the list of assessment instruments (tools) used for adult, dislocated worker, and youth.

Board Response

Basic Career Services

Any customer entering the workforce center for the first time will receive basic career services. Basic career services include:

- Outreach (including worker profiling), intake and orientation to information and other services available in the workforce system
- Preliminary needs assessment
- Job search and job placement assistance, including the provision of information on nontraditional employment and in-demand industry sectors and occupations for job seekers
- Referral and coordination with other programs and services within and outside of the workforce system
- Provision of workforce and local, regional, state, and national labor market information (LMI) including:
 - Job vacancy listings
 - Job skills needed to obtain vacant positions
 - Information on demand occupation earnings, skill requirements and opportunities for advancement
- Information and assistance for filing unemployment insurance (UI) claims
- Work In Texas (WIT) registration
- Job search, job referrals (self or staff assisted). Placement assistance and where appropriate career counseling.
- Internet browsing related to career or training search
- Use of self-directed career exploration and other online resources.
- Referrals to other community resources
- Resume critique
- Use of resource room materials, equipment and information
- Use of Eligible Training Provider System (ETPS) for training provider information
- Group Sessions and Workforce Center Workshops
- Initial screening for referrals and information about activities leading to other Workforce Center programs.
- Referral to other staff or workshops.
- Other self-service and information services.

Individualized Career Services

If a customer is eligible for WIOA services and needs individualized career services to obtain or retain employment, WIOA Talent Development staff develops an Individualized Employment Plan (IEP) to include individual career services, a career pathway and occupational goals and steps to achieve these goals. Individualized career services may include:

- Comprehensive assessment using diagnostic testing for determination of skill level and in-depth interviewing
- Development of an individual employment plan (IEP) to identify employment goal, barriers and support service needs
- Short term prevocational services defined as training for:
- Communication, interviewing, punctuality, personal maintenance, and professional conduct skills (referred to as “soft skills”) to prepare customers for unsubsidized employment; or
- Non-occupationally specific skills in demand by employers such, as but not limited to, Microsoft Office, and introductory classes to industry clusters.
- Workforce preparation activities
- Financial literacy
- Computer literacy
- Internships, paid and unpaid work experience linked to a career pathway
- English language acquisition and integrated education and training programs (IET)
- Soft skills for long term job seekers and professional development
- Out of area job search and relocation assistance

Training Services

Training services may be available to customers who:

- Are unlikely to obtain or retain employment leading to a self-sufficiency wage;
- Are unlikely to obtain or retain employment with wages comparable to, or higher than, wages from previous employment; and
- Have the skills and qualifications to participate successfully in training services.

Workforce center staff determines which customers meet the criteria through interviews, assessments, and career planning. If the customer is appropriate and WIOA eligible, Talent Development Specialists develop or amends the Individual Employment Plan to include training services. Training Services may include:

- Occupational skills training, including training for nontraditional employment in Target Occupations as defined by the Workforce Solutions Rural Capital Area board.
- Integrated Education and Learning that combines academics and occupational training
- On the job training (OJT) including registered apprenticeship

- Incumbent worker training
- Workplace training and cooperative education programs
- Private sector training programs
- Skills upgrading and retraining
- Entrepreneurial training
- Transitional jobs
- Job readiness training provided in combination with other training listed above
- Adult education and literacy including English language acquisition (ELA) and IET programs in combination with training
- Customized training with commitment by employer/s to hire customer upon successful program completion

Center staff primarily use the TABE for academic skill testing. Other informal web based academic assessments are used as well. Since the outbreak of COVID-19, the Board has greatly expanded virtual options for soft skills training as well as occupational and non-occupational training. Virtually, customers have access to Metrix and the Academy, virtual entrepreneurial boot camps, and PATHS training for customer facing occupations.

The Board continues to provide all customers with access to “Headlight” for labor market and career information. Career lattices linked to the Board’s target occupations is now included in Headlight and offers additional information for customers in developing their employment plan or for incumbent workers to plan their upskilling for a better job.

B. Priority to Recipients of Public Assistance and Low-Income Individuals

(20 CFR §679.560(b)(21))

Boards must include the Board policy to ensure that priority for adult individualized career services and training services will be given to recipients of public assistance, other low-income individuals, and individuals who are basic skills deficient, consistent with WIOA §134(c)(3)(E) and §680.600 of the Final Regulations, as well as veterans and foster youth, according to the priority order outlined in the WIOA Guidelines for Adults, Dislocated Workers, and Youth. Boards must also include a list of any Board-established priority groups, if any.

Board Response

Service Priority for Individualized Career Services and Training Services

WSRCA gives priority for individualized career services and training services in the following order.

Priority #1

- Veterans and eligible spouses with one of the criteria in Priority #3

Priority #2

- Foster youth or former foster youth up to age 21 with one of the criteria in Priority #3

Priority #3

- Public assistance recipients or
- Individuals with basic skills deficiencies or
- Low income individuals

Priority #4

- Veterans and eligible spouses who do not meet any of the criteria in Priority #3

Priority #5

- Individuals with disabilities
- Members of family with an income more than 70% and less than 175% of the Federal Lower Living Standard Income Level

Note: When funds are available, individuals in Priority #5 may receive support services and training services. If funds become limited, the Board notifies the workforce center operator in a directive.

Low Income Criteria for Adult Priority #3 Services

An individual meeting any one of the following satisfies the low income requirement for Priority #3 WIOA adult services.

- Receives, or in the past six months has received, or is a member of a family that is receiving or in the past six months has received, assistance through SNAP, TANF, or the Supplemental Security Income (SSI) program
- State or local income based public assistance (WSRCA defines this as CHIPS, CCS, Medicaid, WIC, Public Housing including Section 8) in the past six months
- Member of family whose income is 70% or less of the federal poverty guidelines
- Homeless
- Foster youth
- Individual with a disability whose income (as a family of one) is 70% or less of the federal poverty guidelines
- Receives or is eligible to receive a free or reduced-price lunch under the National School Lunch Program (for the WIOA adult program, this only applies to the individual receiving the free or reduced price lunch.)

Basic Skills Deficient

WSRCA defines basic skills deficient (BSD) as an individual who computes or solves problems, reads, writes, or speaks English at or below 8.9 grade level using a Board approved assessment instrument.

Part 7: Fiscal Agent, Grants, and Contracts

A. Fiscal Agent

(WIOA §108(b)(15); 20 CFR §679.560(b)(14))

Boards must include identification of the entity responsible for the disbursement of grant funds described in WIOA §107(d)(12)(B)(i)(III), as determined by the CEOs or the governor under WIOA §107(d)(12)(B)(i).

Board Response

The Rural Capital Workforce Development Board, Inc. dba Workforce Solutions-Rural Capital Area is responsible for the disbursement of grant funds.

B. Sub-Grants and Contracts

(WIOA §108(b)(16); 20 CFR §679.560(b)(15))

Boards must include a description of the competitive process that will be used to award the sub-grants and contracts for WIOA Title I activities.

Board Response

The Board is currently in the second year (October 1, 2020 through September 30, 2021) of the contract for the Workforce Center Operator

The steps used by the Board to ensure free and open competition process are below.

- The decision to procure the Workforce Center Operator is initiated by the Chief Executive Officer (CEO) and formalized in an authorization memo.
- A procurement calendar identifying Board staff and their tasks in the development of the Request for Proposal (RFP) is prepared.
- Public notices of the intent to issue and issue date are posted on the Board's website, the Electronic State Business Daily (ESBD), and sent to entities on the bidders list.
- The RFP is posted on the issue date on the Board's website and the ESBD.
- A Bidders Conference is held.
- Responses to questions (Q&A) are posted on the Board's website and the ESBD.
- Proposals are logged in upon arrival.
- Each proposal is reviewed for responsiveness.

- The evaluation process begins with an Evaluator Meeting that includes the following
 - Code of Conduct
 - Conflict of Interest
 - Score Sheets and scoring criteria
- Evaluator scores are compiled.
- Oral Interviews may be held.
- Final recommendation for the Board of Directors approval is submitted.
- Once approved notification of intent to negotiate is sent to the selected proposer and other proposers informed.
- Contract Negotiations begin.
- Debriefings are scheduled with non-awardees as requested.

Part 8: Performance

A. Board Performance Targets

(WIOA §108(b)(17); 20 CFR §679.560(b)(16))

Boards must include a description of the local levels of performance negotiated with TWC and the CEOs consistent with WIOA §116(c), to be used to measure the performance of the area and to be used by the Board for measuring the performance of the local fiscal agent (where appropriate), eligible providers under WIOA Title I subtitle B, and the one-stop delivery system in the area.

Board Response

The Board negotiates local performance measures with the State, providing documentation on specific extenuating circumstances that will justify a request for a lower performance measure. Examples of extenuating circumstances are economic downturns in the board service area, or changes in characteristics of the customer/population served, such as:

- Increased numbers of individuals receiving SNAP benefits,
- Increased numbers of individuals identifying a disability,
- limited English,
- high school dropouts, or
- ex-offenders.

Additionally, natural weather event or critical community incidents, such as natural disasters, fires, floods, or hurricanes may have a significant impact on performance which may initiate a request for a lower performance measure.

The following performance measures were set in accordance with WIOA § 116(c):

- All Employed/Enrolled Q2 Post Exit
- All Median Earnings Q2 Post Exit
- All Employed/Enrolled Q2 - Q4 Post Exit
- All Credential Rate
- All Measurable Skills Gain
- Adult Employed Q2 Post Exit
- Adult Median Earnings Q2 Post Exit
- Adult Employed Q4 Post Exit
- Adult Credential Rate
- Adult Measurable Skills Gain
- Dislocated Worker Employed Q2 Post Exit
- Dislocated Worker Median Earnings Q2 Post Exit
- Dislocated Worker Employed Q4 Post Exit
- Dislocated Worker Credential Rate
- Dislocated Worker Measurable Skills Gain
- Youth Employed/Enrolled Q2 Post Exit
- Youth Median Earnings Q2 Post Exit
- Youth Employed/Enrolled Q4 Post Exit
- Youth Credential Rate
- Youth Measurable Skills Gain

Part 9: Training and Services

A. Individual Training Accounts (ITAs)

(WIOA §108(b)(19); 20 CFR §679.560(b)(18))

Boards must include a description of how training services outlined in WIOA §134 will be provided through the use of ITAs, including, if contracts for training services will be used, how the use of such contracts will be coordinated with the use of ITAs under that chapter, and how the Board will ensure informed customer choice in the selection of training programs, regardless of how the training services are to be provided.

Board Response

All individuals entering a Workforce Center have multiple assessments available. The customer's assessment results, skills, interests, abilities, and experience are the basis for the individualized employment plan that includes a career pathway. Those who are interested in occupational training research the available training programs, discuss their findings with the case manager, and select a program to enter. The case manager sends an ITA request to a manager to review. The manager ensures:

- the training is directly linked to employment opportunities listed on the Board's Target Occupation List
- conducted by approved providers listed in the state's Eligible Training Provider System (ETPS) or appropriately procured
- the job seeker has applied for the Pell Grant, if appropriate
- the cost of the training is reasonable.

B. ITA Limitations

(20 CFR §663.420)

Boards may impose limits on the duration and amount of ITAs. If the state or Board chooses to do so, the limitations must be described in the Board Plan, but must not be implemented in a manner that undermines WIOA's requirement that training services are to be provided in a manner that maximizes customer choice in the selection of an Eligible Training Provider. Exceptions to ITA limitations may be provided for individual cases and must be described in Board policies.

Board Response

The Individual Training Account (ITA) maximum is \$8,000 per customer for a one-year period beginning October 1st and ending September 30th. WSRCA funds occupational training programs that are designed to be completed within two years. The maximum ITA amount may be used for each year the customer is in training. Multiple funding sources may be used for an individual customer's ITA. The \$8,000 maximum applies to the individual customer, not the funding source. The Board allows the workforce center operator to review and approve exceptions of the ITA maximum up to \$10,000, when necessary and reasonable, and when funding is available. To request an exception that exceeds the \$10,000 maximum, workforce center staff submit a Notification Form to the WSRCA with justification for the exception. The Board's Chief Operations Officer reviews and determines if the exception is approved.

WIOA requires other funding sources pay first for tuition, training material and supplies and fees required by the provider. Other funding sources may be Pell grants, scholarships, grants, or financial assistance from federal and state programs. However, the Board allows customers to keep the portion from a funding source, such as a Pell Grant, designated for living expenses to be used to support living expenses.

The Board does not fund tuition, materials, supplies and fees:

- For any portion or term of training for which the customer signed a loan as part of financial aid; or
- For any portion or term of training paid by the customer or other source, prior to WIOA program registration.

Part 10: Apprenticeship

A. Registered Apprenticeship Programs

Boards must include a description of how the Board will encourage Registered Apprenticeship programs in its workforce area to register with the Eligible Training Provider System in order to receive WIOA funding.

Board Response

WSRCA encourages and supports employers throughout the region in developing and increasing access to Registered Apprenticeship programs. WSRCA educates companies and regional leaders on the value that apprenticeships add to the workforce/talent development system through events and seminars and provides guidance and technical assistance in how to develop registered apprenticeships.

Several companies throughout our region currently utilize Registered Apprenticeship to enhance their talent pool, including Anchor Ventana, TDIndustries, multiple skilled trades contractors that are active in local unions, Pedernales Electric, and others. Many companies opt to partner with a training provider that can support the administrative function and formal education of these programs and place these students at their companies. This strategy helps to reduce costs and make a Registered Apprenticeship more advantageous but does place their formal location of the apprenticeship in an alternate city/region.

As a fast-growing region that is a part of the Austin MSA, we support incoming companies with recognizing the value of establishing a Registered Apprenticeship early on as a part of its employee ramp up process. We guide them through the resources available to establish this type of program quickly and offer technical assistance and support to ensure that we are successful in this process.

As an organization that supports rural communities, we also look creatively at how we can utilize Registered Apprenticeships to improve opportunities locally. We work in conjunction with our local community partners and the State to amend policies that would incentivize more rural students to enter a skilled trades apprenticeship, become licensed, and increase the number of highly qualified skilled tradesmen in the rural areas to address the shortage.

The Business Solutions Consultants provide information on the benefits of RA for both the employer and the trainee when they meet with local employers. Trades related employers and union staffs in our service area are attending DOL sponsored information seminars on opportunities for the employers and unions to participate in the RA program.

And, center staff encourages military veterans, retirees and their family members to submit an application for a license or apprenticeship and to obtain credit for verified military experience, service, training, or education.

B. ApprenticeshipTexas

Boards must include a description of the Board’s strategy and commitment to support ApprenticeshipTexas efforts across the state, as applicable.

Board Response

WSRCA actively promotes apprenticeship opportunities to job seekers within the centers, across the region through social media platforms, and to students in our regional ISDs. We partner with community stakeholders to distribute information and hold community events to celebrate apprenticeship opportunities.

Partnerships are developed with local economic development corporations, community colleges, independent school districts, and trades related employers to increase the availability of integrated work-based learning—work experience, pre-apprenticeship, apprenticeship, internships, job shadowing and on-the-job training.

Our apprenticeship options across industries is expanding to include opportunities in IT and marketing.

Part 11: Public Comment

Boards must include a description of the process used by the Board, consistent with WIOA §108(d), 20 CFR §679.550(b) and §679.560(b) and (e), to:

- make copies of the proposed local plan available to the public through electronic and other means, such as public hearings and local news media;
- include an opportunity for comment by members of the public, including representatives of business, labor organizations, and education;
- provide at least a 15-day, but no more than a 30-day period for comment on the plan before its submission to TWC, beginning on the date that the proposed plan is made available, before its submission to TWC; and
- submit any comments that express disagreement with the plan to TWC along with the plan.

Board Response

.

Appendix: Texas Workforce Investment Council Requirements

Local Workforce Development Board Strategic

Planning

The Texas Workforce Investment Council (TWIC) is charged under Texas Government Code §2308.101(5), 2308.302(a), and 2308.304(a)(b)(4), and the Workforce Innovation and Opportunity Act of 2014 (WIOA) (Public Law 113–128) with recommending the plans of Local Workforce Development Boards (Boards) to the governor for consideration for approval. TWIC reviews each Board Plan to ensure that local goals and objectives are consistent with the statewide goals and objectives in the system plan, The Texas Workforce System Strategic Plan FY 2016–FY 2023, which can be found at <https://gov.texas.gov/uploads/files/organization/twic/System-Strategic-Plan-Update.pdf>.

Additionally, state law charges TWIC with reporting annually to the governor and to the Texas legislature on the implementation of the system’s strategic plan and monitoring the operation of the state’s workforce system to assess the degree to which the system is effective in achieving state and local goals and objectives. Therefore, TWIC also reviews Board Plans and plan modifications to determine each Board’s progress in implementing strategies that align with the strategic plan for the Texas workforce system. Following consideration for approval at a regularly scheduled quarterly meeting, TWIC recommends the Board Plans to the governor for consideration for approval. Boards’ responses to the following planning elements are reviewed by TWIC for alignment and are the basis for recommending approval.

Demonstrating Alignment with Texas’ Strategic Plan for the Workforce System

The four sections below list and describe the four system goals from The Texas Workforce System Strategic Plan FY 2016–FY 2023 (2020 Update) that identify critical, high-priority system issues for the state. **For each goal, briefly describe one significant Board strategy or initiative that fulfills the intent of the goal. Also, please include the corresponding page number(s) within your plan that further details the identified strategy or initiative.**

System Goal 1 and Rationale

Focus on Employers

By accessing critical education and labor data sets, employers can better find and plan for skilled workers to meet their needs in both the immediate time frame and the future. Through greater engagement with employers, education and training providers can better design career and technical education content and delivery options that are more aligned

with industry needs. Providers can make adjustments in program content to benefit employers and students, as well as address both state and regional economic needs.

System Goal 1—Local Board Response

Board response and corresponding plan page number(s):

Rural Capital Headlight

Rural Capital Headlight is a data center designed to provide up-to-date information on the labor market and economic conditions of the Rural Capital Area. Headlight LMI provides key economic data about occupations and in-demand industries along with information about labor market trends, local economic conditions, future economic developments, and overall labor supply in the local area.

Rural Capital Headlight is utilized by the BSU to refer employers for Labor Market Information (LMI). This is one component of our Business Services Unit Plan. Chambers of commerce, economic development councils, county coalitions and other community stakeholders all use Rural Capital Headlight as a source of local economic and labor market data. Additionally, workforce center staff use Rural Capital Headlight when interviewing and assessing customers in RESEA, WIOA and other programs to provide real-time labor market information that will inform the customers' individual employment plans and career development. Ultimately, this results in customers making more informed choices for their career pathways that will meet the needs of the employers in the community.

System Goal 2 and Rationale

Engage in Partnerships

Through collaborative and transparent processes, workforce system partners focus on outcomes that improve the employability of all program participants—from across a wide spectrum of capabilities and experiences—to meet employer needs. The leveraging of partnerships to enhance system alignment and outcomes depends on trust, a culture of collaboration both within and external to the workforce system, deep working relationships, and technical capacity to communicate to share needs, data, and information. Partnerships can provide for common planning, intake, and reporting on

outcomes, as well as ensuring a “no wrong door” approach to the provision of workforce programs and services.

System Goal 2—Local Board Response

Board response and corresponding plan page number(s):

Integrated Rural Capital Integrated Service Initiative

The Board, AEL, and VR staffs have been working since February 2016 to ensure integration when delivering services to all customers. Our workforce center operator provides management of workforce programs and services and ensures Adult, Dislocated Worker, Youth, Temporary Assistance for Needy Families (TANF), Supplemental Nutrition Assistance Program (SNAP), Non-Custodial Parent (NCP), Employer Services (ES), Texas Veterans Commission (TVC) services and resources are delivered seamlessly. The workforce center staff determine the needs of the customer and matches the available resources in the center to meet the customer’s needs.

All the partners have agreed to capture the opportunities provided by Texas Workforce Commission now serving as the administering umbrella for all WIOA core program partners to plan, implement, and continuously improve the partnership. The co-location of AEL and VR staff in Rural Capital’s three largest workforce centers (Bastrop, San Marcos, and Round Rock) has strengthened the working relationships in all the programs.

Based on this, WSRCA has created the Rural Capital Area Integrated Services Initiative that brings together the WSRCA as the workforce development partner, the Adult Education and Training provider and the Texas Workforce Solutions – Vocational Rehabilitation Services teams to create a leadership council. This partnership is designed to facilitate the seamless integration of the three agency’s services into the one-stop centers. The underlying goal of the partnership is to help job seekers access the education, training, and support services they need to find self-sufficient employment, with a complementary goal to match employers with the skilled workers they need to compete in the global economy.

The leadership council meets on a quarterly basis and includes three workgroups comprised of frontline staff from each organization:

- The Customer Welcome workgroup – this workgroup will develop plans and tools for the sharing of system services by program partners that focuses on outreach, intake, orientation, and initial assessments.

- The Customer Connections workgroup – this workgroup will develop plans and tools for the seamless sharing of customer information by program partners that focus on referrals between programs, services, and coordination of activities.
- The Business, Job Search and Job Attainment workgroup – this workgroup will develop plans and provide specific details for the delivery of integrated business services for all partners, establish tools for integrating current partner business services teams so they will connect more system customers to employment and support achievement of performance goals of all system partners.

Each workgroup meets at least quarterly, or more often if needed, and will address the goals / tasks identified by the leadership council.

The leadership council provides the oversight to ensure integrated, coordinated service delivery across programs, appropriate sharing of data and information related to referrals, and the outcomes associated with those referrals.

System Goal 3 and Rationale

Align System Elements

By improving transitions, aligning programs, and ensuring portability and transferability, Texas improves access and the ability of all participants to complete programs of study, earn credentials, transition to further education, and gain critical employability skills. Texas employers are better positioned to find and hire the employees they need through an enhanced education and training pipeline.

System Goal 3—Local Board Response

Board response and corresponding plan page number(s):

Career Lattice / Career Progression System

The Board continues to provide up to date workforce data to assist customers in understanding local LMI and employment trends. The Board has developed career lattices for the target occupations in the Rural Capital Area. These sources of information are shared with and used by many of the required partners as well as community partners such as area ISDs. They are especially helpful in career development for youth and customers with additional barriers to employment. Additionally, these career lattices are available to the public on our website.

WSRCA will use career fairs to provide initial career path information to students beginning at the middle school level and continuing throughout their education. We will also use our Career Progression Lattices to provide skills information to school counselors, parents, students, and employers. Rural Capital Headlight provides access to useful knowledge about career education programs and activities by county, area, or region.

The Board coordinates access to training with our AEL partners to better integrate adult education job seekers into the workforce by expanding adult ESL (“English as a Second Language”) programs and bi-literacy efforts as well as jointly providing integrated education and training (IET) opportunities in Demand Occupations.

Pages 6, 68, 72, 73, 78.

System Goal 4 and Rationale

Improve and Integrate Programs

Accelerate employment and improve efficiencies through shared resources that can be leveraged to create new, relevant, and innovative opportunities that serve the needs of all stakeholders. By addressing high-priority programmatic needs through an integrated strategy, decision-making at the system, partner, and participant levels is improved and system service delivery is enhanced. The changing economic and educational landscapes provide opportunities to share relevant data through appropriate “push” mechanisms in an organized manner to key stakeholders who rely on information generated by system partners.

System Goal 4—Local Board Response

Board response and corresponding plan page number(s):

County plans

The Board has completed individual strategic plans for each of its nine counties. Each plan identifies the county’s workforce challenges using LMI data and input from local elected officials, economic developers, chambers of commerce, independent school districts and community colleges, community organizations, and employers gathered during community meetings regarding the workforce. There is also a summary plan of common challenges shared by all counties and the common strategies to address them.
